Sage ,1966 **Africatown** Nick Tabor,2023-02-21 An evocative and epic story Nick Tabor s Africatown charts the fraught history of America from those who were brought here as slaves but nevertheless established a home for themselves and their descendants a community which often thrived despite persistent racism and environmental pollution In 1860 a ship called the Clotilda was smuggled through the Alabama Gulf Coast carrying the last group of enslaved people ever brought to the U S from West Africa Five years later the shipmates were emancipated but they had no way of getting back home Instead they created their own community outside the city of Mobile where they spoke Yoruba and appointed their own leaders a story chronicled in Zora Neale Hurston s Barracoon That community Africatown has endured to the present day and many of the community residents are the shipmates direct descendants After many decades of neglect and a Jim Crow legal system that targeted the area for industrialization the community is struggling to survive Many community members believe the pollution from the heavy industry surrounding their homes has caused a cancer epidemic among residents and companies are eyeing even more land for development At the same time after the discovery of the remains of the Clotilda in the riverbed nearby a renewed effort is underway to create a living memorial to the community and the lives of the slaves who founded it

Red Sky Morning Joe Pappalardo,2022-06-28 The explosive and bloody true history of Texas Rangers Company F made up of hard men who risked their lives to bring justice to a lawless frontier Between 1886 and 1888 Sergeant James Brooks of Texas Ranger Company F was engaged in three fatal gunfights endured disfiguring bullet wounds engaged in countless manhunts was convicted of second degree murder and rattled Washington D C with a request for a pardon from the US president His story anchors the tale of Joe Pappalardo s Red Sky Morning an epic saga of lawmen and criminals set in Texas during the waning years of the Old West Alongside Brooks were the Rangers of Company F who ranged from a pious teetotaler to a cowboy fleeing retribution for killing a man They were all led by Captain William Scott who cut his teeth as a freelance undercover informant but was facing the end of his Ranger career Company F hunted criminals across Texas and beyond killing them as needed and were confident they could bring anyone to Ranger justice But Brooks men met their match in the Conner family East Texas master hunters and jailbreakers who were wanted for their part in a bloody family feud The full story of Company F s showdown with the Conner family is finally being told with long dead voices heard for the first time This truly hidden history paints the grim picture of neighbors and relatives becoming snitches and bounty hunters and a company of Texas Rangers who waded into the conflict only to find themselves in over their heads and in the fight of their lives

relationship with Nashville and other established music business centers This book however focuses on an essential thread in this tapestry the Texas singer songwriters to whom the contributors refer as ruthlessly poetic All songs require good lyrics but for these songwriters the poetic quality and substance of the lyrics are front and center Obvious candidates for this category would include Townes Van Zandt Michael Martin Murphey Guy Clark Steve Fromholz Terry Allen Kris Kristofferson Vince Bell and David Rodriguez In a sense what these songwriters were doing in small intimate live music venues like the Jester Lounge in Houston the Chequered Flag in Austin and the Rubaiyat in Dallas was similar to what Bob Dylan was doing in Greenwich Village In the language of the times these were folksingers Unlike Dylan however these were folksingers writing songs about their own people and their own origins and singing in their own vernacular This music like most great poetry is profoundly rooted That rootedness in fact is reflected in the book s emphasis on place and the powerful ways it shaped and continues to shape the poetry and music of Texas singer songwriters From the coffeehouses and folk clubs where many of the founders got their start to the Texas flavored festivals and concerts that nurtured both their fame and the rise of a new generation the indelible stamp of origins is inseparable from the work of these troubadour poets Please see the listing for the print edition to view the table of contents for this title
