Prophecy Unfulfilled

Wayne Talbot, *Prophecy Unfulfilled* represents a continuation of the author's quest for the truth of God by firstly uncovering the untruths that he had been taught during his formative years as a Catholic Earlier works focused on the claimed new replacement covenant the rejection of the Sabbath and the rejection of Torah Using the rules of evidence as in a court of law this study seeks to evaluate the claimed messianic prophecy fulfillment by Jesus some two thousand years ago The first part of the book discusses the nature of evidence and how the rules regarding written evidence vary significantly from those of oral evidence the latter being used most often by biblical scholars and Christian apologists The first step is to authenticate the extant documents by examining the chain of custody and thus establish authority Next is to authenticate the attributed authorship of the writings to determine whether the authors were firsthand witnesses of the events they described or whether their narratives are hearsay with or without corroboration Where little verbal agreement is found this is circumstantial evidence of separate traditions developing the resultant theology The study proceeds by examining every verse in the NKJV New King James Version of the New Testament that is annotated as being in fulfillment of prophecy comparing the wording against both the NKJV Old Testament and an English translation of the Hebrew scriptures Where

significant variations exist the author seeks an understanding from New Testament scholars whom he frequently quotes The eschatological temper of the early church is given due consideration especially concerning the expectations of the Jews regarding the mission of the Messiah Finally the accomplishments of Jesus as enshrined in Christian creeds is compared with what is spoken of by the prophets The author's conclusion is encapsulated in the book's title The Stone Rejected Delena Spinelli,2006-11 This divinely inspired body of work has been fifteen years in the making covering three continents and six countries The revelations contained in The Stone Rejected are God breathed and purposely prepared for this hour in time It is the fulfillment of God's word spoken in the book of Habakkuk which commands Write the vision and make it plain upon tablets that he may run that read it For the vision is yet for an appointed time but at the end it shall speak and not lie Today mankind is thirsty for truth and it is because truth is always logical and its foundation is based on pure fact When applied it conforms not only to fact but reason A lie must change or metamorphose to hold its power over one's mind This is what has happened to the original word of God It has been changed so many times that it has almost become unrecognizable Therefore the sword of truth has been commanded to rise and cut into pieces the body of deception which stands behind the mask of religion
