The Love of God Christopher W. Morgan, 2016-09-30 Our understanding of the love of God has been tragically distorted. The comfortable sentimentalized version we commonly encounter today is far from the biblical depiction of God's love. Featuring contributions from well-known evangelical scholars, this multi-disciplinary study presents the biblical view of the love of God from the perspectives of systematic theology, biblical theology, apologetics, pastoral theology, and ethics. The contributors, including D. A. Carson, Andreas J. K. Stenberger, Raymond C. Ortlund Jr., Robert L. Plummer, and many others, address a variety of issues related to how God's love is expressed in the Old and New Testaments, the Trinity, apologetics, Christian living, social justice, and more. This addition to the Theology in Community series will promote clear, sound thinking about what Scripture means when it declares that God is love. Part of the Theology in Community series. **John McGahern and the Art of Memory** Dermot McCarthy, 2010 The concepts of Ireland and Irishness are in constant flux in the wake of an ever-increasing reappraisal of the notion of cultural and national specificity in a world assailed from all angles by the forces of globalisation and uniformity. Reimagining Ireland interrogates Ireland's past and present and suggests possibilities for the future by looking at Ireland's literature, culture, and history and subjecting them to the most up-to-date critical appraisals associated with sociology, literary theory, historiography, political science, and theology. The Lost World by Arthur Conan Doyle (an Annotated Edition) Arthur Conan Doyle, 2021-08-25 Unabridged value reproduction of THE LOST WORLD by the original master of mystery, Arthur Conan Doyle. Join the enigmatic and forceful Professor Challenger into the terrifying world of dinosaurs roaming wild. Adventure and mayhem with humor sprinkled throughout provide for a thrilling 1912 adventure through the jungles of South America that every reader should take. The Lost World By Sir Arthur Conan Doyle. The Lost World is a novel released in 1912 by Sir Arthur Conan Doyle concerning an expedition to a plateau in the Amazon basin of South America where prehistoric animals, dinosaurs, and other extinct creatures still survive. It was originally published serially in the popular Strand Magazine and illustrated by New Zealand-born artist Harry Rountree during the months of April–November 1912. The character of Professor Challenger was introduced in this book. The novel also describes a war between indigenous people and a vicious tribe of ape-like creatures. Edward Malone, a reporter for the Daily Gazette, goes to his news editor, McArdle, to procure a dangerous and adventurous mission in order to impress the woman he loves, Gladys Hungerton. He is sent to interview Professor George Edward Challenger, who has assaulted four or five other journalists to determine if his claims about his trip to South America are true. After assaulting Malone, Challenger reveals his discovery of dinosaurs in South America. Having been ridiculed for years, he invites Malone on a trip to prove his story, along with Professor Summerlee, another scientist qualified to examine any evidence, and Lord John Roxton, an adventurer who knows the Amazon and several years prior to the events of the book, helped end slavery by robbing barons in South America. They reach the plateau with the aid of Indian guides who are superstitiously scared of the area. *God of Violence Yesterday, God of Love Today?* Helen Paynter, 2019-05-20 Do you find the violence in the Old Testament a problem? Hesselgrave,2019-09-17 The Lord s Supper or Eucharist has often been a subject of intense debate in the church What is often lost in this debate is the significance of the relationship of the Eucharist to Jesus Last Supper with his disciples which was a Passover or Passover like meal Moreover the Last Supper connects back to various meals in Jesus earthly ministry And it looks forward to the great messianic banquet as fulfillment of Jewish expectations In exploring these connections this book focuses on the three motifs of new creation hospitality and hope in Christ Most significantly when we break the bread and drink the wine or juice together we are asserting the reality of the new creation in Christ affirming God s grace forgiveness and cruciform love which is to be embodied in the Christian community and anticipating the day when God s present and ongoing work of restoration justice and reconciliation will ultimately prevail The Supper then is basically a condensed summary of the story of God s plan of redemption Hesselgrave brings together biblical theological ethical and social insights in a way that deepens our understanding of the meaning and practical significance of biblical texts related to this central ordinance of the church
