~Theoe Magi, 2014 *The Magi* Ulrich Bock, 2014 **The Magi** Ulrich Bock, Köln. Museumsdienst, 2014 **Balthazar** Kristen Collins, Bryan C. Keene, 2023-02-28 This abundantly illustrated book examines the figure of Balthazar one of the biblical magi and explains how and why he came to be depicted as a Black African king According to the Gospel of Matthew magi from the East following a star traveled to Jerusalem bearing precious gifts for the infant Jesus The magi were revered as wise men and later as kings Over time one of the three came to be known as Balthazar and to be depicted as a Black man Balthazar was familiar to medieval Europeans appearing in paintings manuscript illuminations mosaics carved ivories and jewelry But the origin story of this fascinating character uncovers intricate ties between Europe and Africa including trade and diplomacy as well as colonization and enslavement In this book experts in the fields of Ethiopian West African Nubian and Western European art explore the representation of Balthazar as a Black African king They examine exceptional art that portrays the European fantasy of the Black magus while offering clues about the very real Africans who may have inspired these images Along the way the authors chronicle the Black presence in premodern Europe where free and enslaved Black people moved through public spaces and courtly circles The volume's lavish illustrations include selected works by contemporary artists who creatively challenge traditional depictions of Black history *The Throne of the Great Mogul in Dresden* Dror Wahrman, 2023-04-25 A masterful deciphering of an extraordinary art object illuminating some of the biggest questions of the eighteenth century *The Throne of the Great Mogul* 1701-8 is a unique work of European decorative art an intricate miniature of the court of the Mughal emperor Aurangzeb depicted during the emperor's birthday celebrations It was created by the jeweler Johann Melchior Dinglinger in Dresden and purchased by the Saxon prince Augustus the Strong for an enormous sum Constructed like a theatrical set made of gold silver thousands of gemstones and amazing enamel work it consists of 164 pieces that together tell a detailed story Why did Dinglinger invest so much time and effort in making this piece Why did Augustus in the midst of a political and financial crisis purchase it And why did the jeweler secrete in it messages wholly unrelated to the prince or to the Great Mogul In answering these questions Dror Wahrman while shifting scales from microhistory to global history opens a window onto major historical themes of the period the nature of European absolutism the princely politics of the Holy Roman Empire the changing meaning of art in the West the surprising emergence

of a cross continental lexicon of rulership shared across the Eastern Hemisphere and the enactment in jewels and gold of quirky contemporary theories about the global history of religion

The Witness of the Magi: The Meaning of the Visitors from the East in Art and Culture Christopher Silva, 2018-12-20 Looking to discuss the purpose of the Magi in the Gospel this book turns to tradition and iconography and draws conclusions about the Magi in the religious imaginations of Christians from the earliest times of Christianity until the Protestant Reformation as well as considers what the Magi could possibly mean for today The Magi become more than simple characters on a page and communicate a larger truth to the people of every age Whether they existed as three men two men a caravan of peoples or literary devices the Magi communicate a deep desire for something outside of ourselves They call for change and renewal in the lives of people in the act of giving to something much more than themselves

Satire, Veneration, and St. Joseph in Art, c. 1300-1550 Anne Williams, 2025-10-01 Satire Veneration and St Joseph in Art c 1300 1550 is the first book to reclaim satire as a central component of Catholic altarpieces devotional art and veneration moving beyond humor s relegation to the medieval margins or to the profane arts alone The book challenges humor s perception as a mere teaching tool for the laity and the antithesis of high veneration and theology a divide perpetuated by Counter Reformation thought and the inheritance of Mikhail Bakhtin Rabelais and His World 1965 It reveals how humor laughter and material culture played a critical role in establishing St Joseph as an exemplar in western Europe as early as the thirteenth century Its goal is to open a new line of interpretation in medieval and early modern cultural studies by revealing the functions of humor in sacred scenes the role of laughter as veneration and the importance of play for pre Reformation religious experiences

Iconography Beyond the Crossroads Pamela A. Patton, Catherine A. Fernandez, 2023-03-23 This volume assesses how current approaches to iconology and iconography break new ground in understanding the signification and reception of medieval images both in their own time and in the modern world Framed by critical essays that apply explicitly historiographical and sociopolitical perspectives to key moments in the evolution of the field the volume s case studies focus on how iconographic meaning is shaped by factors such as medieval modes of dialectical thought the problem of representing time the movement of the viewer in space the fragmentation and injury of both image and subject and the complex strategy of comparing distant cultural paradigms The contributions are linked by a commitment to understanding how medieval images made meaning to highlighting the heuristic value of new perspectives and methods in exploring the work of the image in both the Middle Ages and our own time and to recognizing how subtle entanglements between scholarship and society can provoke mutual and unexpected transformations in both Collectively the essays demonstrate the expansiveness flexibility and dynamism of iconographic studies as a scholarly field that is still heartily engaged in the challenge of its own remaking Along with the volume editors the contributors include Madeline H Caviness Beatrice Kitzinger Aden Kumler Christopher R Lakey Glenn Peers Jennifer Purtle and Elizabeth Sears
