exposure Yet family members had managed to journey among Indians on the frontier to preach and had sailed through nearly catastrophic ocean storms to preach in England And despite much sorrow and hardship this volume relates how five family members left their loved ones behind at the sickly Missouri River in order to march down the Old Santa Fe Trail in the U S Army s Mormon Battalion to prove their loyalty to the government by helping to fight a war with Mexico **The Kuandaa International Handbook for Church Leaders, Volume 1** Dewey Miller,2016-07-15 The Kuandaa International Handbook for Church Leaders Volume 1 originally appeared as a series of articles on the kuandaa org website Kuandaa International is committed to working with encouraging and training pastors throughout the world Our work has begun in East Africa where this material was first conceived Ultimately this book is intended as a resource for church leaders who are otherwise under resourced In fact it is the case that many pastors in the developing world have no training or literature at all to work with Kuandaa seeks to provide in person training events on line resources and ongoing relationships to build up the body of Christ
