Unintended Consequences A Certain State Of Marriage English Edition:

Unintended Consequences of Human Actions Elena Ermolaeva, Jessica Ross, 2012-07-10 Using a mixed method approach Unintended Consequences of Human Actions documents a wide range of unintended and unanticipated consequences of human actions The major message is the urgent need to review a range of possible outcomes of human actions During these fragile times looking down the road has become imperative The Psychology of Family Law Eve M. Brank, 2019-04-09 Winner 2021 Lawrence S Wrightsman Book Award given by the American Psychology Law Society Bridges family law and current psychological research to shape understanding of legal doctrine and policy Family law encompasses legislation related to domestic relationships marriages parenthood civil unions guardianship and more No other area of law touches so closely to home or is changing at such a rapid pace in fact family law is so dynamic precisely because it is inextricably intertwined with psychological issues such as human behavior attitudes and social norms However although psychology and family law may seem a natural partnership both fields have much to learn from each other Our laws often fail to take into account our empirical knowledge of psychology falling back instead on faulty assumptions about human behavior This book encourages our use of psychological research and methods to inform understandings of family law It considers issues including child custody intimate partner violence marriage and divorce and child and elder maltreatment For each topic discussed Eve Brank presents a case statute or legal principle that highlights the psychological issues involved illuminating how psychological research either supports or opposes the legal principles in question and placing particular emphasis on the areas that are still in need of further research The volume identifies areas where psychology practice and research already have been or could be useful in molding legal doctrine and policy and by providing psychology researchers with new ideas for legally relevant research **Sexual Intimacy in Marriage** William R. Cutrer, Sandra Glahn, 2020-03-17 Expert biblical answers to tough questions Every couple has those questions they don't know how or whom to ask Sexual Intimacy in Marriage discusses the basics like the definition of marriage and the not so basic topics such as achieving sexual pleasure and biblically OK sexual activity It addresses real people in the real world without compromising God's wonderful purpose and design for his gift of sex This highly acclaimed medically and biblically accurate book extensively covers sex in marriage with a sensitivity and frankness that every couple will appreciate With over 100 000 copies in print and now in its fourth edition this best selling biblically based book for newlyweds and trulyweds is the gold standard for Christian intimacy guides Has greatly benefited our own family and marriage relationship Marvelously blends the glory of sex with the reality of life Dr Tony and Lois Evans Scientifically accurate biblically based intensely practical and written with a large dose of humor David Stevens President Christian Medical Dental Association Cutrer and Glahn cut through the fog of partial truths to help newlyweds soon to weds or couples who have been married for years The Dallas Fort Worth Heritage *Muslim Women and Shari'ah Councils* S. Bano, 2012-11-14 Using original empirical data and critiquing existing research

Samia Bano explores the experience of British Muslim woman who use Shari ah councils to resolve marital disputes She challenges the language of community rights and claims for legal autonomy in matters of family law showing how law and community can empower as well as restrict women *The Fight for Sex Ed* Margaret Grace Myers,2025-08-12 The first comprehensive trade history of sex ed in American schools and an impassioned call to reform sex ed into a powerful tool for reproductive justice and social equality The U S has some of the highest rates of STIs and teen pregnancies in the industrialized world A comprehensive sex education curriculum which teaches facts on contraception prophylactics consent and STIs has been available since the 90s Yet the majority of states require that sex education stress abstinence and 22 states do not require sex ed in public schools at all In *The Fight for Sex Ed* writer advocate and historian Margaret Myers shows us how we got here While the earliest calls for sex ed came from a coalition of religious leaders and doctors at the turn of the century who sought to control the prevalence of STIs the advent of antibiotics and modern condoms meant that abstinence was no longer good public health policy The religious right however continued to frame it as such using its impressive machinery to replace scientific facts with conservative Christian values Because sex ed is not mandated at the federal level these battles have played out locally throughout the decades through rigged school boards administrative oustings court cases unjust firings scare tactics and threats Myers also shows how the religious right has worked to narrow the discourse around sex ed often dictating the terms of debate almost entirely What we teach young people has serious ramifications for reproductive justice LGBTQ rights gender equality and public health Sex education lies at the intersection of these hugely important cultural forces yet it has been largely invisible This book illuminates its potential and its power

The Women's Movements in the United States and Britain from the 1790s to the 1920s Christine

Bolt,2014-09-25 This book presents a study of the development of the feminist movement in Britain and America during the 19th century Acknowledging the similar social conditions in both countries during that period the author suggests that a real sense of distinctiveness did exist between British and American feminists American feminists were inspired by their own perception of the superiority of their social circumstances for example whereas British feminists found their cause complicated by traditional considerations of class Christine Bolt aims to show that the story of the American and British women s movement is one of national distinctiveness within an international cause This book should be of interest to students and teachers of American and British political history and women s studies Ecological Limits of Development Kaitlin Kish,Stephen Quilley,2021-11-03 Embracing the reality of biophysical limits to growth this volume uses the technical tools from ecological economics to recast the Sustainable Development Goals SDGs as Ecological Livelihood Goals policy agendas and trajectories that seek to reconcile the social and spatial mobility and liberty of individuals with both material security and ecological integrity Since the 1970s mainstream approaches to sustainable development have sought to reconcile ecological constraints with modernization through much vaunted and seldom demonstrated strategies of decoupling and

dematerialization In this context the UN SDGs have become the orchestrating drivers of sustainability governance However biophysical limits are not so easily sidestepped Building on an ecological economic critique of mainstream economics and a historical sociological understanding of state formation this book explores the implications of ecological limits for modern progressive politics Each chapter outlines leverage points for municipal engagement in local and regional contexts Systems theory and community development perspectives are used to explore under appreciated avenues for the kind of social and cultural change that would be necessary for any accommodation between modernity and ecological limits Drawing on ideas from H T Odum Herman Daly Zigmunt Bauman and many others this book provides guiding research for a convergence between North and South that is bottom up household centred and predicated on a re emerging domain of Livelihood In each chapter the authors provide recommendations for reconfiguring the UN s SDGs as Ecological Livelihood Goals a framework for sustainable development in an era of limits This book will be of great interest to students and scholars of ecological economics socio ecological systems political economy international and community development global governance and sustainable development

The Concept of Ordered Liberty and the Common-Law Due-Process Tradition Matthew W. Lunder,2021-01-12 The Concept of Ordered Liberty is a story of due process from the common law tradition Told through Supreme Court cases against a backdrop of political theory legal philosophy and history it illuminates a mid twentieth century dialectic between theories liberal and conservative for resolving

controversies about state interference with personal liberties So pervasive was the partisanship flowing from a riven body politic that every institution comprising the fabric of American society including the federal courts was soaked in it But the ideological contest is not the story's primary concern More pertinent to our dilemma today is what the clash of ideologies eclipsed a venerable judicial practice deeply rooted in American history and tradition The moral of the story is in this praxis at its center and its understanding of the limits of legislative and judicial power The modern liberal and conservative approaches to fundamental rights fall short of the tradition having strayed from the common law concept of ordered liberty Readers will find a suprapartisan perspective on the federal courts obligation to resolve disputes about our Nation's most controversial issues and a critical reflection on the modern Supreme Court's role in its politics **Handbook of Marriage**

and the Family Gary W. Peterson, Kevin R. Bush, 2012-09-14 The third edition of Handbook of Marriage and the Family describes analyzes synthesizes and critiques the current research and theory about family relationships family structural variations and the role of families in society This updated Handbook provides the most comprehensive state of the art assessment of the existing knowledge of family life with particular attention to variations due to gender socioeconomic race ethnic cultural and life style diversity The Handbook also aims to provide the best synthesis of our existing scholarship on families that will be a primary source for scholars and professionals but also serve as the primary graduate text for graduate courses on family relationships and the roles of families in society In addition the involvement of chapter authors from a variety of fields including family psychology family sociology child development family studies public health and family therapy gives the Handbook a multidisciplinary and interdisciplinary framework [The Un Convention on the Elimination of All Forms of Discrimination Against Women and Its Optional Protocol](#) Patricia Schulz, Ruth Halperin-Kaddari, Beate Rudolf, Marsha A. Freeman, 2023-01-27 This volume is the fully revised and updated version of the first comprehensive commentary on the Convention on the Elimination of All Forms of Discrimination against Women and its Optional Protocol It reflects the developments during the decade following the publication of the first edition in 2012 which has also seen a notable rise in individual complaints more than 85 ten new General Recommendations and six new inquiry procedures as well as numerous statements partly in conjunction with other UN human rights bodies The Convention is a key international human rights instrument and the only one exclusively addressed to women It has been described as the United Nations landmark treaty in the struggle for women's rights At a time when the backlash against women's human rights and the concept of gender based discrimination is increasingly challenged by governments and powerful societal actors the Commentary is an important instrument to hold all state powers to account on their international obligations under the Convention The Commentary analyses the interpretation of the Convention through the work of its monitoring body the Committee on the Elimination of Discrimination against Women It comprises detailed analyses of the Preamble and each article of the Convention and of the Optional Protocol including a separate chapter on the cross cutting substantive issue of

violence against women The sources relied on are the treaty language and the general recommendations concluding observations and case law under the Optional Protocol individual complaints and inquiries through which the Committee has interpreted and applied the Convention Each chapter is self contained but the Commentary is conceived of as an integral whole The book also includes an introduction which provides an overview of the Convention and its embedding in the international law of human rights as well as the most recent challenges to women s human rights worldwide

Moral Problems of Interracial Marriage Joseph Francis Doherty, 1949 Discusses moral aspects of interracial marriage and interracial marriage laws in the United States Concludes that the Catholic Church supports the right of individuals to marry the person of their choice regardless of race and that laws forbidding interracial marriage are unjust and should be repealed

Revolutionizing the Family Neil J. Diamant, 2023-04-28 In 1950 China s new Communist government enacted a Marriage Law to allow free choice in marriage and easier access to divorce Prohibiting arranged marriages concubinage and bigamy it was one of the most dramatic efforts ever by a state to change marital and family relationships In this comprehensive study of the effects of that law Neil J Diamant draws on newly opened urban and rural archival sources to offer a detailed analysis of how the law was interpreted and implemented throughout the country In sharp contrast to previous studies of the Marriage Law which have argued that it had little effect in rural areas Diamant argues that the law reshaped marriage and family relationships in significant but often unintended ways throughout the Maoist period His evidence reveals a confused and often conflicted state apparatus as well as cases of Chinese men and women taking advantage of the law to justify multiple sexual encounters to marry for beauty to demand expensive gifts for engagement and to divorce on multiple occasions Moreover he finds those who were best placed to use the law s more liberal provisions were not well educated urbanites but rather illiterate peasant women who had never heard of sexual equality and it was poor men not women who were those most betrayed by the peasant based revolution This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived

Devi Prasad,Srilatha Juvva,Mahima Nayar,2020-07-15 This book analyses the dynamics of the development of family structure in India over the past few decades It captures the diversities and challenges of contemporary families and provides a culture and region specific overview of how families adapt and change generationally The book explores the paradigms of understanding family life in India through illustrations which trace patterns of family formations in the context of large scale social economic and media driven changes Besides discussing the ongoing debates on the sociology of family the chapters in this volume also look at diverse families experiencing poverty conflict and displacement and demystifies families with members having a disability or non normative sexual orientation The book will be useful to students and researchers of various disciplines such as sociology social work family studies women s studies and anthropology *Part 3. pp. 2495-3543* United States. Congress. House. Committee on Ways and Means,1966 Legal Problems Relating to Parentage Council of Europe,University of Malta. Foundation for International Studies,1999-01-01 CLOSING SPEECH Edwin GRECH Equality in Asia-Pacific Phil C. W. Chan,2014-02-04 In 1948 the United Nations General Assembly proclaimed the Universal Declaration of Human Rights stating every human being s right of equality in dignity and right However notwithstanding recognition by the international community of its importance and codification in numerous national and sub national constitutions and legislation reinforced by various multilateral and regional human rights treaties the right of equality continues to be unable to take complete firm hold in all regions and countries Evidence as presented by the insightful papers in this collection published initially as a Special Double Issue of The International Journal of Human Rights dedicated to exploring the place of equality in Asia Pacific societies suggests that although progress is being made the right of equality has not yet fully materialized both in law and in reality in the world s most populous region Many factors particularly entrenched cultural heritage and practices the lingering effects of colonialism and newly found independence and above all pervasive ignorance and prejudices continue to impede the recognition development and protection of equality in this region Of course equality a normative right and entitlement by virtue of our humanity has neither been fully achieved in societies outside the region Such neo colonial thinking in fact perpetuates and assists in the subjugation of the right of equality in the Asia Pacific Region as a matter of relevance and concern only to Western countries Accordingly we hope that our discussions will also be able to shed light and generate reflections on realities outside the region as interlinked with our aim The Editor s book fee has been donated to the UNICEF Tsunami Fund This book was previously published as a special issue of The International Journal of Human Rights

Education and Power in Contemporary Southeast Asia Azmil Tayeb, Rosalie Metro, Will Brehm, 2023-07-18 This book focuses on education and power in Southeast Asia and analyzes the ways in which education has been instrumentalized by state non state and private actors across this diverse region The book looks at how countries in Southeast Asia respond to the endogenous and exogenous influences in shaping their education systems Chapters observe and study the interplay between education and power in Southeast Asia which offers varying political social cultural religious and economic diversities The political systems in Southeast Asia range from near consolidated democracy in Indonesia to illiberal democracy in Singapore and Thailand to the communist regime in Laos to absolute monarchy in Brunei Structured in three parts i centralization and decentralization ii privatization and marketization and iii equity and justice these themes are discussed in single country and or multi country studies in the Southeast Asian region Bringing together scholars from and focused on Southeast Asia this book fills a gap in the literature on education in Southeast Asia
