Scapa Flow

The Italian Chapel:

Orkney's Italian Chapel Philip Paris, 2010-05-27 Orkney's Italian Chapel was built by Italian POWs held on the island during the Second World War. In the sixty five years since it was built it has become an enduring symbol of peace and hope around the world. The story of who built the chapel and how it came into existence and survived against all the odds is both fascinating and inspiring. Author Philip Paris's extensive research into the creation of the Italian Chapel has uncovered many new facts and this comprehensive new book is the definitive account of the chapel and those who built it. It is a book that has waited to be written for sixty five years.

The Italian Chapel, Orkney Donald S. Murray, 2017-07-05 Thousands of visitors go to the Italian Chapel in Orkney every year witnesses to a series of remarkable acts of transformation. Among these are the Churchill Barriers nearby straddling the ocean to link a number of Orkney's southernmost islands to its mainland. Constructed to protect Britain's naval fleet in Scapa Flow during World War Two its builders included a group of Italian soldiers imprisoned in this bleak and windswept part of Scotland. In the course of this they not only played a part in changing Orkney's way of life forever but also transformed a simple Nissen Hut constructing through their labours a place of worship that still stands till this day a remarkable symbol of their identity and faith. The Italian Chapel Orkney tells the story of the strength and tenacity, laughter and tears of the men who built the Italian Chapel showing how spirits defeated and despondent during years of exile were lifted by its creation. It does this with its own artistry and grace using folk tale and myth to provide a fitting counterpart to the wonder and beauty of the building that inspired it.

The Italian Chapel Philip Paris, 2018-03-08 Orkney 1942 Forbidden lovers divided by war united by a secret act of creation. Amid the turmoil of the Second World War a group of Italian prisoners is sent to the remote Orkney island of Lamb Holm. In the freezing conditions, hunger and untold hardships of Camp 60 this ragtag band must work together to survive. Domenico a talented artist is among them. He inspires his comrades to create a symbol of peace during these dark days of war and out of driftwood and scrap they build the Italian chapel a beacon of hope and beauty in a world ravaged by war. The chapel soon becomes a place of love too. When Giuseppe another POW falls for local woman Fiona he decides to hide a token of his love there the secret of which is unveiled for the first time in The Italian Chapel. Based on an incredible true story this heartbreaking and inspiring tale tells of forbidden passion, lifelong friendships and the triumph of the human spirit.
