The Itinerant Lodger:

The Itinerant Lodger David Nobbs,1965 *I Didn't Get Where I Am Today* David Nobbs,2014-11-20 As a small boy David Nobbs survived the Second World War unscathed until his bedroom ceiling fell on him when the last bomb to be dropped on Britain by the Germans landed near his home It was the nearest he came to the war but National Service would later make him one of Britain s most reluctant soldiers It was an unforgettable and often unpleasant experience As a struggling writer David was catapulted into the thrilling world of satire at the BBC when he rang THAT WAS THE WEEK THAT WAS with a joke and got through to David Frost who sent a taxi for the joke He never looked back His greatness as a modern comic writer was confirmed by the publication of THE FALL AND RISE OF REGINALD PERRIN which he adapted into the immensely successful television series that has entered the fabric of British cultural life through phrases images and brilliant humour A mesmerising beautifully told tale of life in writing and comedy I DIDN T GET WHERE I AM TODAY is the hilarious poignant and very personal story of David Nobbs life which also describes some of the most famous comedians of the last century and captures a golden age of British television **Jump and Other Stories** Nadine Gordimer,2007-05-15 Fifteen thematically and geographically wide ranging stories from the Nobel Prize Winner with settings ranging from suburban London to Mozambique **Shakespeare's House** Richard Schoch,2023-11-16 A page turning story Times Literary Supplement Eye opening Michael Billington A detailed and highly compelling story that involves so much more than bricks and mortar The Stratford Herald In the wide realm of Shakespeare worship the house in Stratford upon Avon where William Shakespeare was born in 1564 known colloquially as the Birthplace remains the chief shrine It s not as romantic as Anne Hathaway s thatched cottage it s not where he wrote any of his plays and there s nothing inside the house that once belonged to Shakespeare himself So why for centuries have people kept turning up on the doorstep Richard Schoch answers that question by examining the history of the Birthplace and by exploring how its changing fortunes over four centuries perfectly mirror the changing attitudes toward Shakespeare himself Based on original research in the archives of the Shakespeare Birthplace Trust in Stratford upon Avon and the Folger Shakespeare Library in Washington DC and featuring two black and white illustrated plate sections which draw on the wide array of material available at the Folger Shakespeare Library and the Victoria and Albert Museum this book traces the history of Shakespeare s birthplace over four centuries Beginning in the 1560s when Shakespeare was born there it ends in the 1890s when the house was rescued from private purchase and turned into the Shakespeare monument that it remains today **Lodgers, Landlords, and Landladies in Georgian London** Gillian Williamson,2021-07-15 A large proportion of London s population lived in lodgings during the long 18th century many of whom recorded their experiences In this fascinating study Gillian Williamson examines these experiences recorded in correspondences and autobiographies to offer unseen insights into the social lives of Londoners in this period and the practice of lodging in Georgian London Williamson draws from an impressive array of sources archives

newspapers OBSP trials and literary representations to offer a thorough examination of lodging in London to show how lodging and lodging houses sustained the economy of London during this time Williamson offers a fascinating insight into the role lodging houses played as the facilitators of encounters and interactions which offers an illuminating depiction of social relations beyond the family The result is an important contribution to current historiography of interest to historians of Britain in the long 18th century

Sex And Other Changes David Nobbs,2014-11-20 Every time someone changes sex there s one less freak in the world Meet the Divots They seem a happily married couple in their cosy suburban home in a cosy suburban town Then one day everything begins to change Nick drops his bombshell He wants to become Nicola Alison is extremely upset naturally But she has more reason than most to be upset because she has a secret too She wants to become Alan Nick has pulled the rug from under her However she s always been the supportive type and she ll wait her turn Will Nick become Nicola Can Alison become Alan Can both partners in a marriage change sex and save their marriage What effect will this have on their children the sexy Emma and the hi tech loner Graham There are dramatic changes in store for them too and for Alison s father Bernie In the spirit of David Nobbs acclaimed novel *Going Gently* *Sex and Other Changes* is a funny touching and compassionate study of what being a man and a woman really means

The Complete Pratt David Nobbs,2014-11-20 THE COMPLETE PRATT compiles the first three volumes of the misadventures of Henry Pratt beginning with a brilliantly funny evocation of a Yorkshire boyhood in *SECOND FROM LAST IN THE SACK RACE* Henry s first job is as a cub reporter on the *Thurmarsh Evening Argus* told in *PRATT OF THE ARGUS* hailed by Sue Townsend as very funny Finally in *THE CUCUMBER MAN* Henry decides to take on a new role and a new challenge working for the Cucumber Marketing Board in Leeds Stumbling through the fifties sixties seventies and eighties Henry accumulates marriages and children along the way and THE COMPLETE PRATT is a touching and hilarious ride through a divided Britain

Going Gently David Nobbs,2014-11-20 Kate Thomas was beautiful intelligent witty passionate and sexy Now at the ripe old age of ninety nine she is trapped in a hospital ward of sad mad and bad old women She escapes by playing to herself the video of her life What a life it has been Her six marriages have ended in suicide a husband s adultery another husband s deportation as a dangerous alien a union dispute a murder and a natural death But Kate s journey through the twentieth century is also a search for the truth about life death and which of her three sons murdered her fifth husband This is a novel rich in memorable characters from Kate s narrow but loving Welsh family to the wild members of an artists colony in Cornwall from Midland piston manufacturers to an investigative journalist whose own life cannot bear investigation

The Fall And Rise Of Reginald Perrin David Nobbs,2014-11-20 AS READ ON RADIO 4 Manages to find joy in the trivial and creates farce out of monotony To say that a book has changed your life has become so commonplace that it has become almost meaningless Nonetheless I think that in this case it is probably true JONATHAN COE From the bestselling author of *Going Gently* and the hugely successful autobiography *I Didn t Get Where I Am Today* Reginald Iolanthe Perrin is sick to death with selling exotic ices at

Sunshine Desserts He s fed up with his boss C J who delights in making his life hell And he s had enough of his eager young assistants who think everything is super So begins Reggie s battle against consumerism Driven to desperation by the rat race and the unpunctuality of Britain s trains Reggie s small eccentricities escalate to the extreme Until finally he leaves behind the unacceptable face of capitalism altogether Driven off in a motorised jelly and creating the world s biggest loganberry slick on his way he dumps his clothes on a Dorset beach and sets off for new adventures Living with lodgers Vicky

Holmes,2025-01-07 For the Victorian working class lodging in someone else s home was commonplace Yet despite their prevalence lodgers and their householders have received little scholarly attention Drawing on hundreds of coroners inquests reported in the Victorian press Living with lodgers traverses many domestic dwelling lodgings in England at this time providing an extraordinary intimate portrayal of the lives of the inhabitants therein **It Is Not Lawful for Me to Fight**

Jean-Michel Hornus,2009-09-01 It is not lawful for me to fight With these words Saint Martin of Tours left the Roman army in AD 356 In so doing he who ironically in later centuries was named patron saint of numerous garrison chapels was acting in accordance with the teaching and discipline of the pre Constantinian church The Early Church as Dr Hornus demonstrates in this historical and theological study consistently maintained the stance of enemy loving and nonviolence It forbade believers to take life and was deeply suspicious of the military profession Only in the course of the fourth century in the context of general ethical decline and cultural accommodation did anti militarism cease to be the church s official position Dr Hornus concludes his study by reflecting upon the relevance of the thought and action of the early Christians for our own violent age

Daddy was a German Spy Brian Edwards,2008-09-29 This engaging memoir covers the first 25 years of Brian Edward s life in Northern Ireland during the 1940s and 1950s His father abandoned his wife and son in dramatic circumstances when Brian was still a baby He grew up in lodgings often cared for by landladies who were mad bad or simply sad while his mother was at work In his early teens Brian desperately tried to track down his mysterious father but to no avail Years later he discovered that he had at least one half sister and that his father may well have been a German spy a bigamist and a charming con man who embezzled funds from numerous employers While Brian s relationship with his parents and their extended families lies at the heart of this book Daddy was a German Spy is also a funny poignant and intriguing story about growing up in Northern Ireland **Pearl City Control Theory** Karen Allen,1999-06 Completing the Vandal Family

Picture Rob Vandal,2014-07-30 Researching family history could be just a collection of dry dates but if these dates can be tied in even tenuously with historical and social changes then family history becomes much more interesting and allows us a chance to see just how much our ancestors have influenced who we are today The present Vandal family dates from the marriage in 1893 of Isabella Jemmott to George Larsen Vandal There is some mystery concerning the history of our family before that date Less reputable family members occasions or incidents were not spoken about in front of the children Several unusual family stories have been circulated but since the older members of the family have now passed away there is no

longer a chance of substantiating these stories Therefore to complete the Vandal family picture we have to start from a known fact or date and dig through the sparse existing parish records and the more comprehensive Statutory Records of Births Marriages and Deaths to make our family tree and our family history as accurate as possible The Mentor ,1929
