The True Story of Jesus the Christ Thomas Kerrins,2011-11 In The True Story of Jesus the Christ author Thomas Kerrins examines the validity of the Story of Creation To validate the Old Testament narrative of our history that Jesus himself exists only because of Mankind s rebellion toward God starting with Adam Thomas uses as evidence the Flood the trials and tribulations of Abraham Isaac and Jacob and the clues found beneath the sands of the Middle East He also looks at the followers of Jesus to find out who they were and what role they played in the beginning of Christianity Many experts and theologians are quoted

such as Dr Juris Zarins who shows through satellite imagery of Iraq Iran and Syria the existence of fossilized rivers pinpointing the possible existence of Eden Also quoted is Henry Rawlinson who discovered the Behistune inscription that provided a tool to read another version of creation from a civilization 800 miles from where the Old Testament version of Genesis was written Furthermore archaeological evidence will be presented to validate such events as the Exodus the Kings of Israel and the invasions from Babylon and Persia Understanding Jesus was to know who he was and what was his mission

The Revelation of Jesus Christ Ray F. Robbins, 2005-01-13 What New Testament book bewilders most Christians Of course the book of Revelation Many people ignore it because it seems unreal and unrelated to Christian living Others see it as a fascinating enigma and they propose a variety of schemes to answer every symbolic reference While fully aware of the various theories of interpretation Dr Robbins is primarily concerned in this book with clarifying what the writer was trying to say to his original readers He provides a practical exposition with little attention given to critical problems He feels that the basic message is timeless full of hope and promise in every age Here is fresh clear light on a book that has been shrouded by extreme and sometimes fanatic interpreters

The Light Horse J.D. Brayton, 2020-02-25 The Light Horse is the story of two men who join forces to capture one of the most dreaded murderers in history one man driven by sworn duty and the other man by vengeance a psychological thriller based on documented fact written after years of research into this compelling and nearly unbelievable chapter in the true history of 19th century British occupied India While no one knows for certain it is estimated that in the 18th and 19th centuries there were no less than 50 000 unsolved murders in north central India By other estimates more than one million died at the hands of a secret cult of murderers known as the Thuggee The indisputable fact is that for centuries entire caravans of innocent travelers in India would simply disappear without a trace There were the usual reasons offered any or all of these may have been a factor but the truth was far more macabre gruesome and horrifying It was cold calculated mass murder carried out with methodical precision by a cult devoted to the goddess Kali In the year 1829 Captain William Henry Sleeman an officer in service to the British East India Company began to suspect a pattern to these disappearances After capturing and deposing suspected cult members he convinced the Governor General Lord William Bentinck to appoint him head of the newly formed Department of Dacoity and Thuggee Sleeman quickly discovered that all the rumors were true The Thuggee a secret cult of clever and stealthy murderers were responsible for stalking and slaughtering hundreds of travelers each year on the lawless frontier roads of India The Thuggees were masters of deception The cult was so secretive and brutal that the modern term Thug survives to this day When a Thug named Fandor Das Gupta allows himself to be captured by Sleeman's Hunters a new twist to the drama unfolds The Thug an admitted murderer is also a remarkable artist who by perfect recall draws portraits of wanted criminals with a degree of accuracy that astounds Sleeman and his officers Fandor in return for a temporary commutation of his death sentence promises to become an informer and help Sleeman find the dreaded and wily Feringeea Prince of Thugs His intimate knowledge of Feringeea's hiding places the fact that he is an adoptive brother to the murderous criminal and his superior talent as an artist makes Fandor Das Gupta extremely useful to Sleeman The Colonel conditionally agrees to Das Gupta's

offer to lead him to capture Feringeea the most vicious Thug in all of India Colonel Sleeman has no idea that the Thug artist Fandoor Das Gupta has a secret agenda he wants to kill The Prince Of Thugs with his own hands once he is secure in Sleeman s prison Because of the murder of Feringeea s scorned wife Kali Bibi a high priestess of Kali who was also the artist s secret lover Fandoor Das Gupta is willing to give up everything including his freedom and his life to avenge her death The Light Horse is a meticulously researched novel set in 19th century British India This bold adventure novel will appeal to readers interested in British Military History life as an Anglo Indian trooper in an Irregular Light Cavalry unit true crime mysteries and military tactics and armament It is written in the style of roman clef using factual persons and events and warmly rendered in the style of a classic historical fiction *Topics in the Book of Revelation* William R. Horsley,2017-03-06

Topics in the Book of Revelation by William R Horsley What is the Book of Revelation Is it a prophecy foretelling the end of the world Is it a vision of the apocalypse If Hollywood and a certain subset of preachers are to be believed John s final message to Christians is one only of doom and destruction But what if the real message was one of hope What if Revelation was less foresight and more history How would you look at the final book of the Bible if you could read it and feel overjoyed rather than frightened In *Topics in the Book of Revelation* William R Horsley presents definitive arguments for a reinterpretation of John s writings Rather than a warning meant to resound throughout history Horsley shows that John was writing primarily to the early church and its people using language and symbols that would have been familiar to them Revelation carries a message of hope to all Christians Horsley sees lessons to Christians to be encouraged faithful and victorious to the end The way is right and worthy is the Lamb **Jesus as Man, Myth, and Metaphor** Benjamin W. Farley,2007-09-01

Current New Testament scholarship has done much to advance knowledge of Jesus s authentic words and message The works of Crossan Borg Vermes Mack and many others attest to this movement In this process however the Christ of the Gospels or the so called Christ of faith has been caught in the crosshairs forcing Christianity to reflect anew on the church s interpretation of his life and place in history Has the church s dogma overreached the facts of Jesus s life Farley s book addresses these issues and offers a feasible and illuminating context within which to reexamine Jesus s life and significance for modern humankind His book probes the boundaries of Jesus as a historical person as a man as a figure of mythical proportions and as a metaphor for today s Christian sense of wholeness Along the way Farley incorporates the insights of Carl Jung Joseph Campbell and Paul Tillich to demonstrate the ways that psychology mythology and symbolism contribute to an appreciation of Jesus that moves beyond the debate of Jesus s historical status alone *Poems for the End of the Age* John Peter Allemand,2016-10-12

Poems for the End of the Age is a poetry book with an apocalyptic message A reading of the Book of Revelation the last book of the Bible and also known as the Revelation to John or the Apocalypse has led the author to an entirely new and astounding interpretation of a number of Johns visions His conclusion is that there will be an end time upheaval in the world order and specifically a catastrophic war between the United States and Russia before

the end of 2030 An Introduction offers the historical background and the detailed analysis of the Apocalypse for this frightening scenario The following seventy rhymed quatrains are divided into two collections namely Reflections of a Believer and Empire of the Apocalypse The former includes verses of a Christian inspirational and personal nature while the latter directly addresses the authors interpretation of the Apocalypse In a poem of 100 rhymed quatrains entitled Discourse on the Mosel or The Century Poem four characters namely an American a German an Israeli and a Poet discuss their views of recent historical events and their prognostications for the future *The Theocratic Kingdom of Our Lord Jesus* Arthur W. Pink, George Nathaniel Henry Peters, Features an exhaustive scholarly treatment of the biblical names and titles of the Antichrist An important contribution to the study of eschatology **Horse's Arse** Charlie Owen, 2010-03-04 It is the Seventies and Horse's Arse is the affectionate name for Handstead New Town a North Manchester overspill and an unholy dump The police use it as a penal posting all the bad egg coppers end up there Worst amongst the residents of Handstead are the Park Royal Mafia a gang of violent thugs who terrorise their neighbourhood They and the officers doomed to serve at Handstead wrestle constantly for dominance This is the story of some of those police officers the Grim Brothers Psycho Pizza Piggy Malone and others a group of hooligans in uniform and their journey through excess despair and finally some form of salvation **The Rapture** John Musser, 2018-09-11 One day while I was attending Brookside Baptist Church in Myrtle Springs Texas the pastor announced that starting the following Wednesday night service he would begin an in depth study on the rapture The study would be titled 16 Reasons for a Pretribulation Rapture That statement really piqued my curiosity Having had studied the subject for an extended period of time over the years I was amazed that someone could come up with that many reasons so I joined the study the following Wednesday After having received the handouts that evening I began to take a critical look I began to point out the errors in much of the reasoning behind the conclusions of that pastor When the pages became numerous I decided it was sufficient to be turned into a book I felt this study should be examined by every believer Many talk about salvation issues in Christianity Many say the rapture is not one of them That attitude alarms me While ones belief on the rapture will not affect his salvation in itself it will without a doubt become a stumbling block to being prepared to not receive the mark of the beast Of that mark the Bible says the one who receives that mark will have his fate sealed with the judgment of eternal damnation If one is confident in a pretribulation rapture he will be susceptible to dismissing the actual mark of the beast since he is convinced he will be taken out before that implementation And for this cause this book must be read [Stoned Success Shift 201 Life After Death Danny's Story a Crime Story About a Love Story Continued](#) Danny Brumbelow, 2013-06-27 The Greek Language Original Bible Text says that it was appointed once for man to die off in order for us to be separated from ourselves spiritually In order to be eternally alive equally joined within God as both man and God Each man coming a second time equally as God On Earth as Jesus Christ through the Cross of Jesus Christ through the suffering of God for man Not separated from God into potential eternal judgment But eternally equally

reborn spiritually within God as God Coming again physically as man and therefore physically spiritually born on earth into eternal Peace as sons of God by God Not separated within mankind into Peace Taking through judgment of each other through fear of judgment from God But into Peace Making as Equal Sons of God free to choose the stupidity and evil of division and conflict through religion and politics Or To choose the Wisdom of the goodness of Peace On Earth reaping the Exact Quantum Goodness that we each share and therefore sew
