The "SUPERWHELMING", "GLORIOUSTOUNDING", "MEGAMIRACULOUS" Return of the King of Kings and Pretentious Interloper Cedric Fisher,2024-06-19 Complaints are replete on social media and everywhere people gather to sip coffee and opine about the world s ills Something is wrong with American society A few years ago people were saying I don t know how it can get worse It is worse and going to get worse The reality and angst of watching it disintegrate have pressed many people into apathy They have latched onto the belief that God will not permit them to suffer the consequences of the world s wicked rebellion Instead Christ will snatch them off the earth and out of danger during a split second secret coming There is an alternative to apathy and fantastical notions It is the central focus of biblical eschatology the superwhelming glorioustounding megamiraculous return of the King of kings

The Bible's First History Robert B. Coote, David Robert Ord, 2018-01-04 This is a book about an ancient writer the J writer the Yahwist who produced a work of political imagination This work is embedded mainly in the first four books of the Bible best known for some of the most popular and influential biblical stories in Genesis and Exodus The purpose of the book is to represent the whole of the original story with attention to its own meaning without the influence of the other literary strands with which it was later supplemented Therefore the work includes a fresh complete translation of the text of the J writer who produced the Bible's first history The translation itself helps to establish more clearly than ever the integrity of the J writer The concern here is WHEN and WHY this history was written especially in light of the concerns for justice and prosperity Throughout it is demonstrated HOW and WHY this history comes from the court of David it is a royal history of David's subjects as though they were descended from pastoral nomads such as Abram Isaac and Jacob It is argued that the intended audience of the history was probably those bedouin who regularly visited the court of David in Hebron and Jerusalem Here is a bold and brilliant representation of the J writer's composition perhaps as it was originally intended to be read or heard This ancient tour de force takes on new life in the hands of these skilled interpreters

The Ideal King John Kennon Grant, 2025-08-14 Jesus is King but not in the way people might normally think of kingship Jesus power didn't come through military strength high GDP earnings or political alliances such as NATO None of those power bases can guarantee a lasting kingdom because those means of power are conditional There is a power that is unconditional Truth The Ideal King Truth incarnate founded his kingdom on truth and holiness These two ideals are so challenging to worldly power that the world executed Jesus While Truth doesn't stay dead militaries can wither currencies can collapse and alliances can dissolve While nations of the world ebb and flow the Ideal King lives and expands his rule through his emissaries who are also not like the nations in their singular focus on loving and proclaiming the Truth
