The Last Animal:

The Last Animal Ramona Ausubel, 2024-03-26 A NATIONAL BESTSELLER Whip smart and compulsively readable both a wildly entertaining adventure story and a meditation on what it means to love your children fiercely and imperfectly Oprah Daily Springs alive to explore questions that stump scientists and families problems of the head and the heart Ron Charles The Washington Post A full hearted portrait of sisterhood family and the ways we process grief Charming wry and original People TWO SISTERS ONE MOM AND ONE WOOLLY SECRET Teenage sisters Eve and Vera never imagined their summer vacation would be spent in the Arctic tagging along on their mother s scientific expedition But there s a lot about their lives lately that hasn t been going as planned and truth be told their single mother might not be so happy either Now in Siberia with a bunch of serious biologists Eve and Vera are just bored enough to cause trouble Fooling around in the permafrost they accidentally discover a perfectly preserved four thousand year old baby mammoth and things finally start to get interesting The discovery sets off a surprising chain of events leading mother and daughters to go rogue ping-pong from the slopes of Siberia to the shores of Iceland to an exotic animal farm in Italy and resulting in the birth of a creature that could change the world or at least this family The Last Animal takes readers on a wild entertaining and refreshingly different kind of journey one that explores the possibilities and perils of the human imagination on a changing planet what it s like to be a woman in a field dominated by men and how a wondrous discovery can best be enjoyed with family Even teenagers

The Last Animal Abby Geni, 2014-10-14 The Last Animal by Abby Geni is that rare literary find a remarkable series of stories unified around one theme people who use the interface between the human and the natural world to contend with their modern challenges of love loss and family life These are vibrant weighty stories that herald the arrival of a young writer of surprising feeling and depth Terror Birds tracks the dissolution of a marriage set against an ostrich farm in the sweltering Arizona desert Dharma at the Gate features the tempest of young love as a teenaged girl must choose between man s best friend her damaged boyfriend and a beckoning future Captivity follows an octopus handler at an aquarium still haunted by the disappearance of her brother years ago The Girls of Apache Bryn Mawr details a Greek chorus of Jewish girls at a summer camp whose favorite counselor goes missing under suspicious circumstances In the Spirit Room centers on a scientist suffering the heartbreaking loss of a parent from Alzheimer s while living in the natural history museum where they both worked in Fire Blight a father grieving over his wife s recent miscarriage finds an outlet for comfort in their backyard garden and makes a surprising discovery on how to cherish living things and in the title story a retired woman traces the steps of the husband who left her thirty years ago burning the letters he had sent along the way while the luminous and exotic wildlife of the Pacific Ocean opens up to receive her Unflinching exciting ambitious and heartfelt The Last Animal takes readers through a menagerie of settings and landscapes as it underscores the connection between all living things

Buffalo Jake and the Last Animal Crusade Joe Trojan, 2002-01-15 A scientist discovers a panda paw print language He translates a story describing a

species that almost drove all animals into extinction long ago The animals lead a heroic crusade to restore the web of life before it's too late Animal Satire Robert McKay, Susan McHugh, 2023-08-22 Animal Satire presents a cultural history of animal satire a critically neglected but persistent presence in the history of cultural production in which animals expose human folly while the strategies of satire expose the folly of human animal relations Highlighting the teeming animal presences across the history of satirical expression from Aristophanes to Twitter with chapters on key works of literature drama film and a plethora of satirical media Animal Satire reveals the rich rhetorical significance of animality in powering the politics of satire from ancient and medieval through modern and contemporary times More pressingly the book makes the case for the significance of satire for understanding the real world implications of rhetoric about animals in ongoing struggles for justice By gathering both critical and creative examples from representative media forms historical periods and continents this volume aims to enrich scholarship on the history of satire as well as empower creative practitioners with ideas about its practical applications today **Statutory Instruments** Great Britain, 2002 **Rules and Regulations Governing the Operations of the Bureau of Animal Industry** Henry Elijah Alvord, Theobald Smith, United States. Dept. of Agriculture. Office of the Secretary, Veranus Alva Moore, 1894 *The Animal Kingdom* Georges Cuvier, 2012-05-17 The most influential work of French biologist and comparative anatomist Georges Cuvier 1769 1832 *Le Règne Animal* was published in French in 1817 and this sixteen volume illustrated English version appeared between 1827 and 1835 Annual Report of the Bureau of Animal Industry for the Year ... United States. Bureau of Animal Industry, 1889 The Animal Kingdom Arranged in Conformity with Its Organization: The class Mammalia, with specific descriptions by E. Griffith, C. H. Smith, and E. Pidgeon. 1827 Georges baron Cuvier, 1827 The Beautiful Animal Michael Lewis, 2018-06-20 Can philosophy conceive of a perfect animal Can it think of the animal as anything other than an imperfect human The book attempts to rethink the Hegelian dialectic so as to render it capable of assigning a proper place to the animal and in particular the beautiful animal and to rework the philosophy of nature so as to encompass the fossil The fossil itself teaches philosophy and in particular the dialectic how it must modify itself in order to encompass the beautiful animal in the form of what we term the fossilised dialectic resistant to the spiritualisation which will always leave the animal behind If philosophy can admit the animal in this way we might then ask what philosophy can learn from this animal that will have taken up residence in its home What does a specifically domestic animal teach us At the very least it shows us that the function we give to the furnishings of the house is not the only one and perhaps therefore that there is no single unique function In this way animals teach us the most philosophical lesson there is to see the world as it is in itself *The Animal Kingdom Arranged in Conformity with Its Organization* Georges baron Cuvier, 1827 *The animal kingdom, with additional descriptions by E. Griffith and others* Georges Léopold C.F.D. baron de Cuvier, 1827 *Mathematics Learning in Early Childhood* National Research Council, Division of Behavioral and Social Sciences and Education, Center for Education, Committee on Early Childhood

Mathematics,2009-12-13 Early childhood mathematics is vitally important for young children s present and future educational success Research demonstrates that virtually all young children have the capability to learn and become competent in mathematics Furthermore young children enjoy their early informal experiences with mathematics Unfortunately many children s potential in mathematics is not fully realized especially those children who are economically disadvantaged This is due in part to a lack of opportunities to learn mathematics in early childhood settings or through everyday experiences in the home and in their communities Improvements in early childhood mathematics education can provide young children with the foundation for school success Relying on a comprehensive review of the research Mathematics Learning in Early Childhood lays out the critical areas that should be the focus of young children s early mathematics education explores the extent to which they are currently being incorporated in early childhood settings and identifies the changes needed to improve the quality of mathematics experiences for young children This book serves as a call to action to improve the state of early childhood mathematics It will be especially useful for policy makers and practitioners those who work directly with children and their families in shaping the policies that affect the education of young children

Stories of the animal world; arranged so as to form a systematic introduction to zoology Bourne Hall Draper,1845 **Procedures for Licensing Authority Officers** Tim Deveau,2015-12-14 Licensing law is a wide ranging detailed and complex body of law within the UK This book comes at a time when local authorities are required to consider and approve or reject applications for an increasing number and very wide range of licences The book provides easy to read and easy to follow procedures for a wide range of licences which local authorities and other public bodies are required by law to consider and issue Each chapter addresses a distinct topic and the book includes guidance on local authority and court procedures The main legal procedures used in the licensing field are presented as flow charts supported by explanatory text Licensing professionals and students will find this essential reading It will also be a valuable reference for all those whose responsibilities demand they keep abreast of current licensing practices *Studies of Primate Tolerance to Some Complex Accelerations* Neville P.
