Revelation Bible Study The Last Seven Years Kathleen Dalton, 2015-07-02 My goal for this chapter by chapter Bible study in Revelation is that we will be overtaken with that sitting in the back seat are we there yet longing that will only go away once we see the arrival of Jesus Christ into our world for the second time in history The first time He came as a baby The second time oh my Let s think of world history as a stage and imagine there are a series of curtains on that stage curtains that are fairly see through so that as each curtain is removed the one person standing on the stage gets easier and easier to see That may help us realize what has been happening since the creation of the world and what will be happening as the events of Revelation unfold Every event points to Jesus Every mercy every disaster every judgment every moment of grace all of them reveal Jesus to us more and more and more until finally we see Him clearly in Revelation Chapter 19 mounted on a white horse returning to be King over the world that was made for Him

The Prophecy of the Four "Sevens" in the Bible Witness Lee, 1990-11 **Seven** No Author Captain, 2011-12-12 This book is about the Book of Revelation and end time events It is written with regard to past current and future events and talks about how the next few years might unfold It encompasses events that will affect the entire world not just our little corner of this earth We are reminded about the hazards of not paying attention to what is truly important in our lives The coming days will not be easy will you be ready

The Ministry, Vol. 04, No. 03 Various Authors, 1999-04-01 In this issue of The Ministry Brother Lee stresses our need to realize that we are branches in the vine for bearing fruit and grains of wheat for bringing forth many grains According to its history the church in general has had the concept that we must do a work of preaching In the Lord s recovery however our concept must be radically changed We should not put our trust in the preaching work rather we must stress fruit bearing For this we must abide in Christ be willing to die be pruned and then go to contact people by imparting Christ to them with and in brotherly love In this way we will see the increase of Christ and the spread of the kingdom of God through our remaining fruit The following messages continue the Crystallization study of Revelation given in the summer training of 1999 Message Four presents a full revelation of Christ in His coming back concerning His person and His work The Lord s coming back is also related to the prophecy of the four sevens which include the seven seals the seven trumpets the seven bowls and the last seven years of this present age Message Five speaks of the intrinsic significance and the subjective experience of the golden lampstand The lampstand with its golden nature form and seven lamps signifies the Triune God the Father the Son and the Spirit The lampstand also signifies the church as the reproduction of Christ and the reprint of the Spirit Such revelation needs our subjective experience so that we may become the reproduction of the lampstand the expression of the Triune God Message Six presents a full view of Christ as the Son of Man walking in the midst of the golden lampstands He is the High Priest girded about at the breasts with a golden girdle cherishing the churches in His humanity and nourishing them with His divinity Last of all we include reports describing the Lord s move in the Ukraine and in Armenia and among the elders and

resource for pastors theologians and anyone seeking to gain a deeper understanding of this pivotal book of the Bible Gaebelein s work stands as a timeless guide to one of Scripture s most profound and challenging books offering hope and insight to those who seek to understand God s ultimate plan for humanity *The Rise of the Antichrist* Lowell B. Hudson,2018-11-13 Does the idea of Biblical Prophecy seem well laughingly absurd galactically improbable Good It s supposed to seem that way In fact for Biblical prophecy to work properly its readers have to be highly skeptical Biblical prophecy requires even promotes uber skepticism at times to evoke the intended response in its readers The credibility of its message that its words were authored by God gains increased potency as the highly improbable happens again and again When the absurdly improbable actually occurs over and over in documented historically verifiable situations our fundamental assumptions are challenged We are confronted with the possibility that on a truly foundational level everything we thought we knew may really be wrong or radically incomplete That s what Biblical prophecy is about on a macro level That s its big idea Biblical prophecies also seek to warn about particularly important slices of future history Not because that future can be changed but so it can be met with integrity and intact faith This book is obviously focused on those Biblical prophecies involving the Antichrist s rise to power By using careful time honored traditional methods of Biblical investigation we ll have a serious and sober look at what the Scriptures really say about this future world ruler There are also some new discoveries that many would find surprising even shocking Now that s a lot to swallow all at once That the future is knowable on some level and that it s going to be so horrible Why would anyone want to believe this could happen Deep down I don t want to believe it It s so much easier to reject it than to allow it to threaten your whole frame of reference That tug of war that vague unease that s supposed to happen too It s Biblical prophecy doing its thing It takes a lot of guts to consider ideas that have the power to explode your comfortable world view If you decide to read this book remember it s ok to be skeptical It s absolutely required for a healthy mind But resist the awful temptation to reject out of hand Aside from being an addictive and lazy habit it just may deprive you someday of knowing that wonderful excruciating panic of having your mind blown open

General Convention,1835 Extra volumes issued for special conventions 1821 **Times of the Gentiles** Larry Miller,2025-10-01 God has laid out a clear timeline of events that answers all these questions What is the Time of the Gentiles Is this a measurable time When was Judah conquered by the Gentiles What are the seventy years about When were Jerusalem and the temple destroyed When was the temple rebuilt When was Jerusalem rebuilt What happened in the year 1948 of biblical importance What did God through Daniel predict about in the year 1948 What did God through Daniel predict about in the year Jesus was crucified What did Jesus tell us about the end times and the time Jerusalem was to be trampled on by the Gentiles until the Times of the Gentiles are fulfilled What is the biblically recorded order of these events So for 390 days you will bear the sin of the people of Israel Ezekiel 4 5b

Bear the sin of the people of Judah I have assigned you 40 days a day for each year Ezekiel 4 6b When were these years Why did God through Daniel use the phrase seven weeks and threescore and two weeks instead of simply sixty nine weeks in Daniel 9 25 26a In what amazing way has God revealed these events to our generation The answers to these questions and the timeline of these events does not need scholarly gymnastics to explain God has made it simple enough that even sinners and fishermen can understand Cases Decided in the Court of Session, Court of Justiciary, and House of Lords Scotland.
