The Late Scholar:

The Late Scholar Jill Paton Walsh, Dorothy L. Sayers, 2014-06-17 Lord Peter and Harriet return to the scene of their literate courtship to resolve an Oxford University dispute that is complicated by the disappearance of several prominent Fellows

The Late Scholar Signed Edition Jill Paton Walsh, 2013-12-05 The Late Scholar Jill Paton Walsh, Dorothy Leigh Sayers, 2014-05 Peter Wimsey is pleased to discover that along with a Dukedom he has inherited the duties of visitor at an Oxford college When the fellows appeal to him to resolve a dispute he and Harriet set off happily to spend some time in Oxford But the dispute turns out to be embittered The voting is evenly balanced between two passionate parties evenly balanced that is until several of the fellows unexpectedly die The Warden has a casting vote but the Warden has disappeared And the causes of death of the deceased fellows bear an uncanny resemblance to the murder methods in Peter's past cases methods that Harriet has used in her published novels

The Late Scholar Jill Paton Walsh, Dorothy L. Sayers, 2014-06-17 When a dispute among the Fellows of St Severin's College Oxford University reaches a stalemate Lord Peter Wimsey discovers that as the Duke of Denver he is the Visitor charged with the task of resolving the issue It is time for Lord Peter and his detective novelist wife Harriet to revisit their beloved Oxford where their long and literate courtship finally culminated in their engagement and marriage At first the dispute seems a simple difference of opinion about a valuable manuscript that some of the Fellows regard as nothing but an insurance liability which should be sold to finance a speculative purchase of land The voting is evenly balanced The Warden would normally cast the deciding vote but he has disappeared And when several of the Fellows unexpectedly die as well Lord Peter and Harriet set off on an investigation to uncover what is really going on at St Severin's With this return in The Late Scholar to the Oxford of Gaudy Night which many readers regard as their favorite of Sayers's original series Jill Paton Walsh at once revives the wit and brilliant plotting of the Golden Age of detective fiction

The Late Scholar Jill Paton Walsh, 2014 When Peter discovers that as the Duke of Denver he is the Visitor that is the ultimate regulator of St Severin's College and the fellows appeal to him to solve a dispute he and Harriet set off happily to spend some time in Oxford the city of their engagement and wedding But the dispute turns out to be embittered It concerns a valuable manuscript that some of the fellows regard as nothing but an insurance liability which should be sold to finance a speculative purchase of land The voting is evenly balanced between the party that would sell and the party that would keep it evenly balanced that is until several of the fellows unexpectedly die And the causes of death of the deceased fellows bear an uncanny resemblance to the murder methods in Peter's past cases methods that Harriet has used in her published novels

The Scribes and Scholars of the City of Emar in the Late Bronze Age Yoram Cohen, 2018-08-14 The city of Emar modern Tell Meskene in Syria is one of the most important sites of the western ancient Near East during the Late Bronze Age that have yielded cuneiform tablets The discovery of more than one thousand tablets and tablet fragments assures Emar's position along with Bogazkoy Hattusa and Ras Shamra Ugarit as a major scribal center

Ephemeral documents such as wills or sale contracts texts about rituals and cultic festivals school texts and student exercises and inscribed seals and their impressions enable reconstruction of the Emar scribal school institution and provide materials for investigation into the lives of more than fifty scribes whose works were found in the city The aim of this book is to place Emar s scribal school institution within its social and historical context to observe the participation of its teachers and students in the study of the school curriculum to investigate the role of the scribes in the daily life of the city in particular within the administration and to evaluate the school s and its members position within the network of similar institutions throughout the ancient Near East

Scholars and Scholarship in Late Babylonian Uruk Christine Proust,John Steele,2019-01-08

This volume explores how scholars wrote preserved circulated and read knowledge in ancient Mesopotamia It offers an exercise in micro history that provides a case study for attempting to understand the relationship between scholars and scholarship during this time of great innovation The papers in this collection focus on tablets written in the city of Uruk in southern Babylonia These archives come from two different scholarly contexts One is a private residence inhabited during successive phases by two families of priests who were experts in ritual and medicine The other is the most important temple in Uruk during the late Achaemenid and Hellenistic periods The contributors undertake detailed studies of this material to explore the scholarly practices of individuals the connection between different scholarly genres and the exchange of knowledge between scholars in the city and scholars in other parts of Babylonia and the Greek world In addition this collection examines the archives in which the texts were found and the scribes who owned or wrote them It also considers the interconnections between different genres of knowledge and the range of activities of individual scribes In doing so it answers questions of interest not only for the study of Babylonian scholarship but also for the study of ancient Mesopotamian textual culture more generally and for the study of traditions of written knowledge in the ancient world *(School list).*
