asked to help defend the borders from marauders and the like but then one day they are ordered to assist in ruthlessly crushing the rebellion of an Alarian town This traumatic event motivates the mercenaries to consider a third option outside the dichotomy of living as slaves or assisting the oppressors and the solution may just reside with the fiercely independent wood elves of the western forest region a long standing enemy of the Untveski *Witch of the Sahara* Meiring Fouche, Pieter Haasbroek, 2025-08-25 A blonde blue eyed woman commands the most ruthless tribe in the Sahara Is she a goddess a demon or something far more dangerous Sahara desert 1940 1960 For the soldiers of the French Foreign Legion it was supposed to be a routine patrol But they aren't the hunters they are the prey An unseen enemy strikes with supernatural cunning destroying their water poisoning their sanctuary and leading them into a trap from which there is no escape The architect of their doom is the beautiful and terrifying Karima the Witch of the Sahara She offers them a choice Surrender their honor and live as her slaves or die of thirst under the watchful eyes of vultures But when a defiant soldier challenges her he is pulled into her inner circle forced into a dark game of manipulation and desire where he must feign loyalty to save his friends Perfect for fans of Wilbur Smith and Beau Geste this relentless desert thriller is packed with historical action and high stakes suspense In a war where your greatest enemy could be the woman you can't resist survival is only the beginning Step into this unforgettable first Sahara adventure now **Askari** Mikko Azul, 2012-03-26 But you are the Child of Muralia You alone hold the key to our salvation but beware that same power can annihilate everything you hold dear A young heir and a female warrior from enemy lands form an uneasy alliance and undertake a perilous journey to save their world from the ancient evil that threatens to destroy it Their quest becomes more treacherous as forces from their respective lands pursue them for their betrayal of the laws Death and destruction follow their pair as they make their way across the land of Muralia in search of the sacred stones that will complete the fabled Staff of Kulari the only weapon capable of defeating the demons that have escaped abyss Once they assemble the staff they must find the prophesied Child of Muralia the one with the power to wield the staff successfully The last thing they expect is for the prophesied child to be even a greater threat to their world than the demons *Heart Of The Mirage* Glenda Larke, 2011-12-08 Stolen from her people as a child and raised as a citizen of the Tyranian Empire Ligea Gayed is the obvious choice to despatch to her homeland occupied Kardiastan with orders to root out a rebel conspiracy At first she devotes herself to her new assignment with zeal Adopted daughter of the Empire's greatest general and possessing a fearsome reputation within the ruthless Imperial spy network known as the Brotherhood Ligea views herself as a loyal servant of Tyrans But blood will out and with each day she spends among her parents people her disciplined self image crumbles a little And there are secrets in Kardiastan secrets that will inevitably force Ligea to choose between her upbringing and her birthright Secrets that will shape the destiny of two nations **Kagonesti** Douglas Niles, 2011-12-06 The first installment in a classic Dragonlance series that probes the historical roots and epic struggles of the little known peoples of Krynn Forests cover Ansalon Under the legendary Silvanos the elves of Krynn begin to tame the
