*Digital Visual Effects in Cinema* Stephen Prince, 2011-12-07 Avatar Inception Jurassic Park Lord of the Rings Ratatouille Not only are these some of the highest grossing films of all time they are also prime examples of how digital visual effects have transformed Hollywood filmmaking Some critics however fear that this digital revolution marks a radical break with cinematic tradition heralding the death of serious realistic movies in favor of computer generated pure spectacle Digital Visual Effects in Cinema counters this alarmist reading by showing how digital effects driven films should be

understood as a continuation of the narrative and stylistic traditions that have defined American cinema for decades Stephen Prince argues for an understanding of digital technologies as an expanded toolbox available to enhance both realist films and cinematic fantasies He offers a detailed exploration of each of these tools from lighting technologies to image capture to stereoscopic 3D Integrating aesthetic historical and theoretical analyses of digital visual effects *Digital Visual Effects in Cinema* is an essential guide for understanding movie making today

**Hollywood on Location** Joshua Gleich, Lawrence Webb, 2019-01-14 Location shooting has always been a vital counterpart to soundstage production and at times the primary form of Hollywood filmmaking But until now the industrial and artistic development of this production practice has been scattered across the margins of larger American film histories *Hollywood on Location* is the first comprehensive history of location shooting in the American film industry showing how this mode of filmmaking changed Hollywood business practices production strategies and visual style from the silent era to the present The contributors explore how location filmmaking supplemented and later supplanted production on the studio lots Drawing on archival research and in depth case studies the seven contributors show how location shooting expanded the geography of American film production from city streets and rural landscapes to far flung territories overseas invoking a new set of creative financial technical and logistical challenges Whereas studio filmmaking sought to recreate nature location shooting sought to master it finding new production values and production economies that reshaped Hollywood's modus operandi
