The Irish Ringfort Irish Settlement Studies Number 5:

A History of Settlement in Ireland Terry Barry, 2012-11-12 A History of Settlement in Ireland provides a stimulating and thought provoking overview of the settlement history of Ireland from prehistory to the present day Particular attention is paid to the issues of settlement change and distribution within the contexts of environment demography culture The collection goes further by setting the agenda for future research in this rapidly expanding area of academic interest This volume will be essential reading for all those with an interest in the archaeology history and social geography of Ireland

A New History of Ireland: Prehistoric and early Ireland Theodore William Moody, Francis X. Martin, Francis John Byrne, 1976 In this first volume of the Royal Irish Academy's multi volume A New History of Ireland a wide range of national and international scholars in every field of study have produced studies of the archaeology art culture geography geology history language law literature music and related topics that include surveys of all previous scholarship combined with the latest research findings to offer readers the first truly comprehensive and authoritative account of Irish history from the dawn of time down to the coming of the Normans in 1169 Included in the volume is a comprehensive bibliography of all the themes discussed in the narrative together with copious illustrations and maps and a thorough index [Routledge Revivals: Medieval Ireland \(2005\)](#) Sean Duffy, 2017-07-05 Through violent incursions by the Vikings and the spread of Christianity medieval Ireland maintained a distinctive Gaelic identity From the sacred site of Tara to the manuscript illuminations in the Book of Kells Anglo Irish relations to the Connachta dynasty Ireland during the middle ages was a rich and vivid culture First published in 2005 Medieval Ireland An Encyclopedia brings together in one authoritative resource the multiple facets of life in Ireland before and after the Anglo Norman invasion of 1169 from the sixth to sixteenth century Multidisciplinary in coverage this A Z reference work provides information on historical events economics politics the arts religion intellectual history and many other aspects of the period Written by the world's leading scholars on the subject this highly accessible reference work will be of key interest to students researchers and general readers alike [Medieval Ireland](#) Clare Downham, 2017-12-07 Medieval Ireland is often described as a backward looking nation in which change only came about as a result of foreign invasions By examining the wealth of under explored evidence available Downham challenges this popular notion and demonstrates what a culturally rich and diverse place medieval Ireland was Starting in the fifth century when St Patrick arrived on the island and ending in the fifteenth century with the efforts of the English government to defend the lands which it ruled directly around Dublin by building great ditches this up to date and accessible survey charts the internal changes in the region Chapters dispute the idea of an archaic society in a wide range of areas with a particular focus on land use economy society religion politics and culture This concise and accessible overview offers a fresh perspective on Ireland in the Middle Ages and overthrows many enduring stereotypes **Literacy and Identity in Early Medieval Ireland** Elva Johnston, 2013-08-15 Much of our knowledge of early medieval Ireland comes from a rich literature written in a variety of

genres and in two languages Irish and Latin Who wrote this literature and what role did they play within society What did the introduction and expansion of literacy mean in a culture where the vast majority of the population continued to be non literate How did literacy operate in and intersect with the oral world Was literacy a key element in the formation and articulation of communal and elite senses of identity This book addresses these issues in the first full inter disciplinary examination of the Irish literate elite and their social contexts between ca 400 1000 AD It considers the role played by Hiberno Latin authors the expansion of vernacular literacy and the key place of monasteries within the literate landscape Also examined are the crucial intersections between literacy and orality which underpin the importance played by the literate elite in giving voice to aristocratic and communal identities The Irish Ringfort Matthew Stout,1997 This book examines all aspects of the Irish ringforts their shape and size their date and function with special attention to national distribution patterns Reference to contemporary written sources brings to the fore the people who dwelt within ringforts and their relationship with neighbouring farmsteads and religious communities This study focuses on the lives and material remains of people who are often neglected in historical studies the men and women who were not the kings and saints of official history

Environmental Archaeology in Ireland Eileen M. Murphy,Nicki J. Whitehouse,2007-10-10 This edited volume of 16 papers provides an introduction to the techniques and methodologies approaches and potential of environmental archaeology within Ireland Each of the 16 invited contributions focuses on a particular aspect of environmental archaeology and include such specialist areas as radiocarbon dating dendrochronology palaeoentomology human osteoarchaeology palynology and geoarchaeology thereby providing a comprehensive overview of environmental archaeology within an Irish context The inclusion of pertinent case studies within each chapter will heighten awareness of the profusion of high standard environmental archaeological research that is currently being undertaken on Irish material The book will provide a key text for students and practitioners of archaeology archaeological science and palaeoecology **The Atlantic Iron Age** Jon Henderson,2007-12 First Published in 2008 Routledge is an imprint of Taylor Francis an informa company **Warfare and Society in the Barbarian West 450-900** Guy Halsall,2008-01-28 Guy Halsall relates warfare to many aspects of medieval life economy society and politics This book recovers its distinctiveness looking at warfare in a rounded context in the British Isles and Western Europe between the end of the Roman Empire and the break up of the Carolingian Empire Examining the raising and organization of early medieval armies and looks at the conduct of campaigns the survey also includes a study of the equipment of warriors and the horrific experience of battle as well as an analysis of medieval fortifications and siege warfare Warfare and Society in the Barbarian West uses historical and archaeological evidence in a rigorous and sophisticated fashion It stresses regional variations but also places Anglo Saxon England in the mainstream of the military developments in this era and in the process provides an outstanding resource for students of all levels **Hillforts: Britain, Ireland and the Nearer Continent** Gary Lock,Ian Ralston,2019-06-27 The Atlas of Hillforts of Britain and Ireland project

2012 2016 compiled a massive database on hillforts by a team drawn from the Universities of Oxford Edinburgh and Cork This volume outlines the history of the project offers preliminary assessments of the online digital Atlas and presents initial research studies using Atlas data *Inishmurray: Archaeological survey and excavations 1997-2000* Jerry O'Sullivan, Tomás Ó Carragáin, 2008 On the small island of Inishmurray off the coast of County Sligo is one of the best preserved early medieval church sites in northern Europe Unlike many of the other stone built establishments on Ireland's western littoral this was no hermitage where a handful of ascetics sought refuge from society Inishmurray was a monastery of some significance and around the end of the first millennium its community built a remarkable suite of stations on the island's perimeter that helped to establish it as one of the premier pilgrimage centres in the northwest of the country In this the first detailed study of the site since the 1880s a comprehensive new survey and series of excavations form the basis for a major reassessment of its significance In particular the authors place the satellite monuments firmly in a tradition of ritual practice that is attested to at cities and important monasteries throughout early medieval Christendom This book offers the reader an understanding of how the sacred topography of Inishmurray was experienced both by its resident community of monks and by the pilgrims who journeyed there Book Jacket **Early Medieval Munster** Michael A. Monk, John Sheehan, 1998 A major contribution to the study and understanding of Early Medieval Ireland which offers radical interpretations of new evidence **Fortified Settlements in Early Medieval Europe** Neil Christie, Hajnalka Herold, 2016-08-31 Twenty three contributions by leading archaeologists from across Europe explore the varied forms functions and significances of fortified settlements in the 8th to 10th centuries AD These could be sites of strongly martial nature upland retreats monastic enclosures rural seats island bases or urban nuclei But they were all expressions of control of states frontiers lands materials communities and ones defined by walls ramparts or enclosing banks Papers run from Irish cashels to Welsh and Pictish strongholds Saxon burhs Viking fortresses Byzantine castra Carolingian creations Venetian barricades Slavic strongholds and Bulgarian central places and coverage extends fully from northwest Europe to central Europe the northern Mediterranean and the Black Sea Strongly informed by recent fieldwork and excavations but drawing also where available on the documentary record this important collection provides fully up to date reviews and analyses of the archaeology of the distinctive settlement forms that characterized Europe in the Early Middle Ages **Archeologia Medievale, XL, 2013 - Fortificazioni di terra in Italia.
