The Kennedy Detail Enhanced Edition Book:

The Kennedy Detail (Enhanced Edition) Gerald Blaine, Lisa McCubbin Hill, 2010-11-12 Enhanced with stunning videos and photographs throughout illustrating the impact of Kennedy's presidency and death the true story of the critical events leading up to and following the assassination of President John F. Kennedy in full for the first time by the Secret Service agents who were firsthand witnesses to one of America's greatest tragedies and have lived for forty-seven years with unresolved guilt and grief Drawing on the memories of his fellow agents Jerry Blaine captures the energetic crowd-loving young president who banned agents from his car and often plunged into raucous crowds with little warning Here are vivid scenes that could come only from inside the Kennedy detail JFK's last words to his tearful son when he left Washington for the last time how a sudden change of weather led to the choice of the open-air convertible limousine that day Mrs. Kennedy standing blood-soaked outside a Dallas hospital room the sudden interruption of six-year-old Caroline's long-anticipated sleepover with a friend at home the exhausted team of agents immediately reacting to the president's death with a shift to LBJ and other key governmental figures the agents' dismay at Jackie's decision to walk openly from the White House to St. Matthew's Cathedral at the state funeral Most of all this is a look into the lives of men who devoted their entire beings to protecting the presidential family the stress of the secrecy they kept the emotional bonds that developed the terrible impact on agents' psyches and families and their astonishment at the country's obsession with far-fetched conspiracy theories and finger-pointing A book fifty years in coming **The Kennedy Detail** is a portrait of incredible camaraderie and incredible heartbreak a true must-read story of heroism in its most complex and human form

Thinking Critically About the Kennedy Assassination Michel Jacques Gagné, 2022-03-27 **Thinking Critically About the Kennedy Assassination** uses the tools of critical thinking, historical research, and philosophical inquiry to debunk the many myths and conspiracy theories surrounding JFK's shocking and untimely death As we approach the 60th anniversary of the violent public assassination of President John F. Kennedy, over half of all Americans surveyed continue to believe that he was killed by a conspiracy involving multiple assassins Through its reasoned and detailed analysis of the content and evolution of JFK conspiracy narratives, this book also serves as a comprehensive case study of paranoid reasoning and modern mythmaking The book's opening chapters lay out the official academic consensus concerning the Kennedy assassination, better known as the Lone Gunman Theory, and discuss the origins of popular interpretations of Kennedy's life and death, such as the nostalgic myth of Camelot, the unsympathetic Irish Mafia narrative, and the many conspiracy theories critical of both Subsequent sections scrutinize the alleged motives of leading conspiracy suspects, the ballistic, forensic, and medical evidence related to JFK's murder, and the most popular proofs of an enduring government cover-up The book concludes that no clear evidence exists to suggest that JFK was the victim of a conspiracy and ends with a discussion of the causes and consequences of paranoid thinking in contemporary public discourse This volume will appeal to students of history, politics, psychology, and cultural and media

studies and to a broader audience interested in American history critical thinking and conspiracy thinking *Not-So-Secret Service* Vincent Palamara,2017-04-21 While there haven't been many Secret Service related books about U S presidents the ones still in print and even those long out of print are often sanitized memoirs of a politically correct nature or tell all tabloid historical junk meant merely for entertainment purposes The Not So Secret Service provides the facts with the bark off so to speak and reveals politically incorrect information of a decidedly unsafe nature It may be controversial and against the grain but this book is heavily documented and timely as the Secret Service guards our political candidates foreign dignitaries and of course the President the first family and the ex presidents and their families Hunting the President Mel

Ayton,2014-04-14 In American history four U S Presidents have been murdered at the hands of an assassin In each case the assassinations changed the course of American history But most historians have overlooked or downplayed the many threats modern presidents have faced and survived Author Mel Ayton sets the record straight in his new book *Hunting the President Threats Plots and Assassination Attempts From FDR to Obama* telling the sensational story of largely forgotten or never before revealed malicious attempts to slay America's leaders Supported by court records newspaper archives government reports FBI files and transcripts of interviews from presidential libraries *Hunting the President* reveals How an armed would be assassin stalked President Roosevelt and spent ten days waiting across the street from the White House for his chance to shoot him How the Secret Service foiled a plot by a Cuban immigrant who told coworkers he was going to shoot LBJ from a window overlooking the president's motorcade route How a deranged man broke into Reagan's California home and attempted to strangle the former president before he was subdued by Secret Service agents In early 1992 a mentally deranged man stalking Bush turned up at the wrong presidential venue for his planned assassination attempt The relationships presidents held with their protectors and the effect it had on the Secret Service's mission *Hunting the President* opens the vault of stories about how many of our recent Presidents have come within a hair's breadth of assassination leaving America's fate in the balance Most of these stories have remained buried until now *The Kennedy Half-Century* Larry J.

Sabato,2014-10-14 An original and illuminating narrative revealing John F Kennedy's lasting influence on America by the acclaimed political analyst Larry J Sabato **Who's Who in the Secret Service** Vincent Palamara,2018-08-22 America's oldest law enforcement agency the United States Secret Service has never been exposed like this before The Secret Service has made many headlines through the decades especially in the last five years This book presents a thorough look at more than 100 of the most famous infamous and interesting agents who have protected presidents from William McKinley to John F Kennedy to President Trump and everyone in between Students of history will find much to contemplate in this revealing entertaining and sometimes disturbing book Readers will never look at the men who guard the president the same way ever again *PLOT TO KILL PRESIDENT KENNEDY IN CHICAGO* Vincent Michael Palamara,2024-10-10 The Plot to Kill
