The Killing Club Of Ex Girlfriends:

A Most Puzzling Murder Bianca Marais, 2025-06-10 How do you solve a murder that hasn't happened yet? Destiny Whip is a former child prodigy, world renowned enigmatologist and very very alone. A life filled with loss has made her a recluse. An existence she's content to endure until a letter arrives inviting her to interview for the position of Scruffmore family historian. Not only does an internet search for the name yield almost nothing, it's a role she never applied to in the first place. She decodes the invitation's hidden message with ease and its promise to reveal her family secrets proves too powerful a draw for the orphaned Destiny who soon finds herself on Eerie Island. It's a place whose inhabitants are almost as inhospitable as the tempestuous weather. The Scruffmores themselves turn out to be not much better: a snarled mess of secrets and motives connected by their mistrust for one another. Their newly arrived guest proves to be just as much an enigma to them as they are to her. While Destiny slowly works to unravel the mysteries hidden throughout the ominous castle, she struggles to interpret disturbing nightly visions of what is to come. In the midst of cryptic ciphers, hidden passages and the family's magical line of succession, Destiny is certain of two things: one of the Scruffmores is going to die and she's running out of time to stop it. Interspersed with riddles and puzzles that both Destiny and the reader must solve, A Most Puzzling Murder is a one of a kind mystery that will leave you guessing and gasping until the very last page. California. Court of Appeal (1st Appellate District). Records and Briefs California (State)., *A Book Club's Guide to Murder & Mayhem* Bethany Barker, 2024-04-02 I absolutely loved this cozy mystery. This was my first book by this author and it certainly will not be the last. If there are more Suzie Tuft books, I'll definitely be reading them. This was a short, quick read with a fun cast of characters. I found myself trying to catch the killer and honestly thought I had it figured out the whole book, but I was way off. If you enjoy cozies, I'd definitely give this one a try. NetGalley Review I enjoyed this cozy murder mystery. It was a quick read and perfect for my relaxing vacation reading. The main character, Suzie, is an independent woman but knows her boundaries. Do we dare hope for a budding romance in future books? I'll definitely read to find out. NetGalley Review A dead body, a large inheritance from an ex-boyfriend, a scam netting three quarters of a million dollars, and a love attraction throw Suzie Tuft's serene writing life into chaos. Textbook writer Suzie Tuft discovers a body near her rural home and learns he was an attorney from the estate of her deceased ex-boyfriend who bequeathed her a small fortune. Suzie's life is thrown into chaos when she is threatened by the ex's crazy live-in girlfriend and his unsavory friends looking to recover nearly a million dollars from a con they executed him. Fortunately, Suzie has her book club friends to help her unravel the mystery all while falling in love with the handsome detective investigating the murder. *A Book Club's Guide to Murder Mayhem* is the first book in a Suzie Tuft Mystery series in which a textbook writer recruits her book club friends to help find the killer of the victim she found near her rural home. **Broadcast 4 Murder** J.C.
