The Ladder Of The Beatitudes:

The Ladder of the Beatitudes Jim Forest, James H. Forest, 1999 Drawing on stories from the lives of the saints scripture and everyday life Jim Forest opens up the mysteries of the Beatitudes These ancient blessings with which Christ began his Sermon on the Mount are all aspects of communion with God As Forest shows they are like rungs on a ladder each one leading to the next They appear at the doorway of the New Testament to provide an easily memorized summary of everything that follows right down to the crucifixion Blessed are you who are persecuted and the resurrection Rejoice and be glad

Lessons on the Beatitudes Edith L. Chamberlain, 1881 *The Ten Commandments and the Beatitudes* Yiu Sing Lúcas Chan, 2012-09-14 The Ten Commandments and the Beatitudes are often considered significant texts for the Christian moral life However most interpretations of these passages either focus on the original meaning of the text or how the texts should impact ordinary living today In *The Ten Commandments and the Beatitudes* Yiu Sing L c s Chan brings together biblical studies and Christian ethics to look at these foundational texts in a new way For each passage Chan asks both what the texts meant and what they mean today He helps readers to carefully study the text s original meaning then interpret the text within a sound ethical framework *The Ten Commandments and the Beatitudes* is an excellent introduction to key concepts in biblical studies and Christian ethics that combines sound study with warmth and wisdom *The Beatitudes* Christopher J. Mertens, 1901 Mankind is created in the image and likeness of God for the purpose of sharing in the Divine Life and participating in the blessedness of the infinite glory and goodness of the Holy Trinity This Beatific Vision is not seeing God in His essence but rather seeing God by possessing Him within oneself Communion with God is attained through the cooperation of the divine and human will whereby the follower of Jesus Christ puts on Christ through the sacraments of the Church and imitates the life of Christ through the sanctifying work of the Holy Spirit to the glory of God the Father Amen Jesus describes in the opening words of His Sermon on the Mount all that produces beatitude The very intent of the Beatitudes is to issue the Father s divine call for man to enter in the blessedness of the Divine Life Therefore the Beatitudes illuminate the pathway to theosis deification or divinization which is a journey of eternal progress in the virtuous life by which a perpetual transformation is made into the likeness of God from glory to glory The Scriptures and the patristic writings of the Church Fathers provide the theological foundation of this book the objective of which is to provide a guide for the soul to consciously advance in the spiritual life toward the divine goal of theosis in a step by step concrete way Dr Christopher J Mertens is a deacon in the Antiochian Orthodox Christian Archdiocese of North America He serves at the parish of Saint Basil the Great in Hampton Virginia He received a master s degree in Applied Orthodox Theology from the Antiochian House of Studies in partnership with the Saint John of Damascus School of Theology of the University of Balamand in the Republic of Lebanon under the aegis of the Greek Orthodox Patriarchate of Antioch He is a Knight of the Order of St Ignatius of Antioch He holds a PhD in Physics from the Georgia Institute of Technology and is a Senior Research
