

The image is a promotional artwork for the video game 'The Last of Us Part II Remastered'. It features the character Ellie in the foreground, shown from the waist up in profile, looking towards the left. She has brown hair tied in a ponytail and is wearing a dark, long-sleeved shirt. A large, dark backpack is visible on her back. The background is a dark, atmospheric cityscape with tall buildings under a cloudy, grey sky. In the distance, a large, circular, white structure is visible. The overall tone is somber and cinematic. The title 'THE LAST OF US' is written in large, white, bold, sans-serif capital letters. Below it, 'PART II' is in smaller white capital letters, and 'REMASTERED' is in orange-red capital letters. To the right of the text is a small, square inset image showing a character in a similar setting.

The Last Get:

The Last Good Man A.J. Kazinski, 2012-03-29 According to Jewish scripture there are thirty six righteous people on earth Without them humanity would perish But the thirty six do not know that they are the chosen ones In Beijing a monk collapses in his chamber A fiery mark has spread across his back and down his spine In Mumbai a man who served the poor dies suddenly His body shows the same mark Similar deaths are reported in cities around the world the victims all humanitarians all with the same death mark In Copenhagen it falls to veteran detective Niels Bentzon to investigate He is told to find eight good people of Denmark and warn them of this threat But Bentzon is trained to see the worst in people and he becomes increasingly skeptical as he realizes that not everyone perceived to be good is truly good It is only when Niels meets Hannah a brilliant astrophysicist mourning the death of her husband that the pair begin to piece together the puzzle and a pattern emerges There have been thirty four deaths and there are two more to come According to the pattern Bentzon and Hannah can predict the time and place of the final two The murders will occur in Venice and Copenhagen And the time is now A breathtaking thriller Ekstra Bladet A catching and entertaining story told with breathtaking pace Politiken Beautifully done and the ending is truly surprising litteratursiden dk

The Last New Dealer Millard Grimes, 2020-09-25 In 1992 A no shot candidate runs for president in the New Hampshire Democratic Primary while telling the story of how the United States evolved from 13 small scattered quarreling British colonies along the Atlantic Coast into the most powerful nation in history With a definite clear and unique message the candidate and his handful of helpers who include a recovering alcoholic who once worked for Jimmy Carter s campaign a young waitress who was a star basketball player in high school but fell into a deep depression caused by an episode in her senior year a retired New Hampshire newspaper publisher plus some former employees from his years as a newspaper publisher he manages to win the most votes on Primary night He goes from New Hampshire to win the Maine caucus the Georgia Primary and following an assassination attempt which kills one of his associates he wins Florida and comes close in New York making him the leading candidate for the Democratic nomination The candidate stresses that the strong U S central government is still the best one ever conceived and that it is the answer not the problem and has been the essential factor in the nation s three great transformative crises the American Revolution in which the colonies declared independence from England The Civil War which established that the

states were indeed one nation not just a collection of un united states and thirdly the New Deal which rescued the U S from economic depression prepared it to be the decisive power in winning World War II and laid the foundation for the modern U S and to a great extent the modern world The threat of a third party effort by Ross Perot throwing the election to the House of Representative persuades him to withdraw and support the better financed and organized Bill Clinton for the November election This history is delivered in a dramatic fictional saga written in a newspaper style which makes it easy to digest for the average reader Its characters are well defined and its narrative plausible in the final analysis It is anti war pro democracy and advocates political campaigns without a lot of consultants and image makers **FME 2002: Formal Methods -**

Getting IT Right Lars-Henrik Eriksson,Peter A. Lindsay,2002-07-10 This book constitutes the refereed proceedings of the international symposium Formal Methods Europe FME 2002 held in Copenhagen Denmark in July 2002 The 31 revised full papers presented together with three invited contributions were carefully reviewed and selected from 95 submissions All current aspects of formal methods are addressed from foundational and methodological issues to advanced application in various fields **Get to the End** Michael Hickey,2016-03-07 Get to the End is written about the end times i e the end of the world and history as we know it But it is written from a Catholic perspective There are many books on the market that speak to the end times however they are all written from a Protestant perspective and for the most part they are written by

Christians from conservative churches who are generally Fundamentalist Christians There are virtually no books written about the end times from a Catholic perspective The few that have been written with a Catholic perspective of the end times have been written for the most part by Catholic priests and they are generally weighed down heavily in doctrine and dogma This will be one of the first on the subject written by a Catholic layman who has a broader perspective than Catholic Doctrine and Dogma and who views himself as uniquely in the world but not of the world **ATV Projects: Get the Most Out of**
