anecdotes and burning questions surrounding the Sabs In a fast moving topical format this book covers a tremendous amount of information delectable to any Sabbath fan but hard to find in a traditional biography This rich history lives and breathes and shouts right here And the voice behind it could not be stronger Martin Popoff is a heavy metal expert who has authored over 30 books on the subject including Doom Let Loose which is widely considered the definitive biography of the band In Black Sabbath FAQ Popoff is like a rabid detective unearthing and sometimes debunking ancient lore valiantly covering new ground applying academic rigor but then wildly sounding off with lurid opinion The pendulum swings and though disoriented the serious Sabbath studier is better for it come the book s doomy conclusion Dozens of images of rare memorabilia make this book a must have for fans

Wild Kids Dachun Zhang,2000 These two searingly funny and unsettling portraits of teenagers beyond the control and largely beneath the notice of adults in 1980s Taiwan are the first English translations of works by Taiwan s most famous and best selling literary cult figure Chang Ta chun s intricate narrative and keen ironic sense of humor poignantly and piercingly convey the disillusionment and cynicism of modern Taiwanese youth Interweaving the events between the birth of the narrator s younger sister and her abortion at the age of nineteen the first novel My Kid Sister evokes the complex emotional impressions of youth and the often bizarre social dilemmas of adolescence Combining discussions of fate existentialism sexual awakening and everyday absurdities in a typically dysfunctional household it documents the loss of innocence and the deconstruction of a family In Wild Child fourteen year old Hou Shichun drops out of school runs away from home and descends into the Taiwanese underworld where he encounters an oddball assortment of similarly lost adolescents in desperate circumstances This novel will inevitably invite comparisons with the classic The Catcher in the Rye but unlike Holden Caulfield Hou isn t given any second chances With characteristic frankness and irony Chang s teenagers bear witness to a new form of cultural and spiritual bankruptcy [Catalog of Copyright Entries](#) Library of Congress.
