Mr Hungerton her father really was the most tactless person upon earth a fluffy feathery untidy cockatoo of a man perfectly good natured but absolutely centered upon his own silly self If anything could have driven me from Gladys it would have been the thought of such a father in law I am convinced that he really believed in his heart that I came round to the Chestnuts three days a week for the pleasure of his company and very especially to hear his views upon bimetallism a subject upon which he was by way of being an authority For an hour or more that evening I listened to his monotonous chirrup about bad money driving out good the token value of silver the depreciation of the rupee and the true standards of exchange Suppose he cried with feeble violence that all the debts in the world were called up simultaneously and immediate payment insisted upon what under our present conditions would happen then I gave the self evident answer that I should be a ruined man upon which he jumped from his chair reproved me for my habitual levity which made it impossible for him to discuss any reasonable subject in my presence and bounced off out of the room to dress for a Masonic meetin **The Lost World** David Rodriguez,2019-05-01
