The World Behind Glass Majid Karimi, 2022-12-16

The World Behind Glass is a collection of short stories that try to depict a world that every human being creates in their subconscious and lives in fear of A world that is bigger than they imagined and beyond the world in which they live Every moment they try to know themselves in the world of their imagination but every moment they find themselves in a labyrinth that brings them back to the beginning of the road creating eerie and frightening conditions for them Frustration and fear pervade their whole being and every moment this person shows a different reaction from what is their character

Novels Behind Glass Andrew H. Miller, 1995-10-19 Drawing on work in critical theory feminism and social history this book traces the lines of tension shot through Victorian culture by the fear that the social world was being reduced to a display window behind which people their actions and their convictions were exhibited for the economic appetites of others Affecting the most basic elements of Victorian life the vagaries of desire the rationalisation of social life the gendering of subjectivity the power of nostalgia the fear of mortality the cyclical routines of the household the ambivalence generated by commodity culture organizes the thematic concerns of these novels and the society they represent Taking the commodity as their point of departure chapters on Thackeray Gaskell Dickens Eliot Trollope and the Great Exhibition of 1851 suggest that Victorian novels provide us with graphic and enduring images of the power of commodities to affect the varied activities and beliefs of individual and social experience

Cloud and Wallfish Anne Nesbet, 2016-09-02 Slip behind the Iron Curtain into a world of smoke secrets and lies in this stunning novel where someone is always listening and nothing is as it seems Noah Keller has a pretty normal life until one wild afternoon when his parents pick him up from school and head straight for the airport telling him on the ride that his name isn't really Noah and he didn't really just turn eleven in March And he can't even ask them why not because of his Astonishing Stutter but because asking questions is against the newly instated rules Rule Number Two Don't talk about serious things indoors because Rule Number One They will always be listening As Noah now Jonah Brown and his parents head behind the Iron Curtain into East Berlin the rules and secrets begin to pile up so quickly that he can hardly keep track of the questions bubbling up inside him Who exactly is listening and why When did his mother become fluent in so many languages And what really happened to the parents of his only friend Cloud Claudia the lonely girl who lives downstairs In an intricately plotted novel full of espionage and intrigue friendship and family Anne Nesbet cracks history wide open and gets right to the heart of what it feels like to be an outsider in a world that's impossible to understand
