Males,2010-07-15 This detailed exhaustively documented account shows how and why just about everyone in today s teen pregnancy debate is wrong often disastrously so Teenage Sex and Pregnancy Modern Myths Unsexy Realities presents a unique view of its subject by analyzing the extensive myths and fears that surround discussion of teenage sex and pregnancy including their relationship to popular culture poverty adult sexual behaviors and anxieties toward the increasingly public roles of young women Award winning author Mike Males argues that today s discussions rely largely on falsehoods and the suppression of crucial realities His work details a new view of popular culture as a largely beneficial feature of teens lives and presents a carefully documented analysis demolishing destructive myths about the new girl Debunking popular arguments he shows that the teen sex debate is mired in interest group talking points that ignore difficult realities to advance politically attuned agendas It s time he writes to modernize the discussion recognizing that teens act in ways consistent with their interests with the sexual behaviors of adults and with the school and job opportunities afforded them

Criminal Tom Gash,2016-05-05 The way we see and understand crime falls into two types of story that in essence have been told and retold many times throughout human history in fiction as in fact Criminality is either a selfish choice an aberration or a forced choice the product of social factors These two stories continue to dominate both our views of and responses to crime And says Tom Gash they are completely wrong In seeking to dispel the myths that surround and inform our views of crime Criminal argues that our obsession with big arguments about crime s causes can lead us to mistake individual cases as proof of universal rules How he asks can we suspend our knee jerk reactions and begin to understand crime for what it is as a risk that can be managed and reduced **The Encyclopedia of Crime and Punishment** Wesley G.
