Definition of identification evidence

13.9 The definition of ‘identification evidence’ in the uniform Evidence Acts constrains the operation of the identification evidence provisions:

identification evidence means evidence that is:

(a) an assertion by a person to the effect that a defendant was, or resembles (visually, aurally or otherwise) a person who was, present at or near a place where:

(i) the offence for which the defendant is being prosecuted was committed; or

(ii) an act connected to that offence was done;

at or about the time at which the offence was committed or the act was done, being an assertion that is based wholly or partly on what the person making the assertion
