Women in Love D.H. Lawrence,2007-09-25 Women in Love begins one blossoming spring day in England and ends with a terrible catastrophe in the snow of the Alps Ursula and Gudrun are very different sisters who become entangled with two friends Rupert and Gerald who live in their hometown The bonds between the couples quickly become intense and passionate but whether this passion is creative or destructive is unclear In this astonishing novel widely considered to be D H Lawrence s best work he explores what it means to be human in an age of conflict and confusion It was written during World War I and while that conflict is never mentioned in the novel a sense of background danger of lurking catastrophe continually informs its drama of two couples dynamically engaged in a struggle

with themselves with each other and with life's intractable limitations Lawrence was a powerful prophetic writer but in addition he brought such delicacy to his treatment of the human and natural worlds that E M Forster's claim that he was the greatest imaginative novelist of our generation does him too little justice rather than too much Book Jacket Status Not Jacketed *Book Review Digest*, 1923 **Punch** Mark Lemon, Henry Mayhew, Tom Taylor, Shirley Brooks, Francis Cowley Burnand, Owen Seaman, 1953 *The Publishers Weekly*, 1920
