In May 2010, 16-year-old Jessica Watson from Australia became the youngest person to sail alone around the world. She travelled for seven months on her boat, *The Pink Lady*. A lot of people said that Jessica was very young for the long journey, because the sea was very dangerous, and no one was with her. It's true that the weather was often terrible: it was cold, windy, foggy and stormy. The waves were sometimes 12-metres high, and Jessica fell into the sea many times. But she didn't stop because she really loves sailing. At the end of her journey, Jessica was very pleased to see her family and her dog again, and to eat some fresh fruit.
