Water Week Lesson Plans For Preschoolers:

Planning for Play, Observation, and Learning in Preschool and Kindergarten Gaye Gronlund, 2012-11-16 Play is an important vehicle for learning in the early years. With intentional planning frameworks, this resource provides teachers with tools and strategies to organize and develop curriculum around high-level, purposeful play. Practical application techniques help teachers create a cycle of planning and observation as they use a play-based curriculum to help young children thrive in the classroom. Gaye Gronlund is an early childhood education consultant who trains early childhood educators across the country. She is the author of six books: *200 Essential Preschool Activities* (Julienne M. Olson, 2013-01-15). *200 Essential Preschool Activities* promotes children's learning, helps improve their functional skills, and encourages interaction in the classroom. This resource provides preschool, pre-kindergarten, and student teachers with an abundance of developmentally appropriate lessons, all developed by the author and used in her own classroom for more than fifteen years. These adaptable, open-ended activities and strategies complement any early childhood program's core curriculum. *200 Essential Preschool Activities* provides activities for and information on Creative Centers including dramatic play areas and discovery and sensory areas; Learning Games including turn-taking and board games, academic games, and cooperative and active games; Group Lessons including circle time, social lessons, hands-on skill builders, and musical games; and Finger Plays. Arts and Crafts including child-centered expressive art and creative tools and methods; Classroom Structure including classroom areas and centers and creating learning opportunities; Parent Involvement. Julienne M. Olson has been teaching early childhood special education since 1995. She holds a bachelor's degree in early childhood special education and a master's degree in early childhood special education. *Academy of Learning: Your Complete Preschool Lesson Plan Resource - Volume 6*, *The Block Plan Preschool Parent Handbook* (Katy Harder, 2017-11-15). *The Block Plan Preschool* is the ultimate tool for parents to use in bringing in free play and reducing structure in children's lives while still making sure they are challenged, inspired, and ready for school. *The Parent Handbook* is an abridged version of *The Block Plan Preschool: Preparing Your Child at Home for Kindergarten*. It includes discussion of early education philosophy, kindergarten readiness, how to make the curriculum work for your family, and themes and book lists for each month. Perfect for taking to the library to collect books from the book list or giving to caregivers or grandparents so they understand your parenting philosophy, *The Parent Handbook* is printed in a convenient trade paperback format. The flexible structure of *The Block Plan Preschool* helps children learn all they need to know before entering public school but allows them to explore and learn at their own pace and according to their own interests. Best of all, the lessons are fun for both parents and kids and help the whole family play together. Parents are a child's most important teachers, and *The Block Plan Preschool* is an empowering resource to help them improve their child's early education, reclaim the simplicity and freedom of childhood, and enhance family relationships.
