Water Blood An Account Of The Life Of The Messiah:

Water & Blood Phil Hinsley, 2014-10-23 What did he say He made himself equal with God This blasphemer must die There were several attempts made on the life of the builder's son from Nazareth before his sentence of death was carried out and still today many people do not know what he said and often his words are ignored or misrepresented Those here did hear what he said were shocked and left him because his teaching was unacceptable The history of the Church is one of divisions and disagreement over what he taught and many counterfeit accounts of his life have gained acceptance Be prepared to be surprised and perhaps even shocked by what he really said What did he look like What did he teach about heaven and hell What happens to us when we die What day did he die on What caused his death What day did he rise from the dead Why will he return What was his message in one short sentence We have got it all wrong **A Commentary on the Holy**

Scriptures: Psalms Johann Peter Lange, 1900 **A Commentary on the Holy Scriptures: Critical, Doctrinal, and Homiletical** Johann Peter Lange, 1867 *Thoughts on the Gospel of Jesus Christ the Son of God; the Saviour of Man. By a Layman, of More Than Three-score Years and Ten [i.e. John Stow] ... Second Edition. [With the Text.], 1854 Being Salvation* Brandon R. Peterson, 2017-06-15 Karl Rahner's theory of how Jesus saves has garnered criticism Rahner's portrayal of Jesus has been described by Hans Urs von Balthasar as merely notifying the world of God's salvific will Others have doubted whether Rahner thinks Jesus causes salvation at all Even Rahner's advocates style his Jesus as a kind of sign albeit an effective one the primal Sacrament But another major and yet underappreciated dimension to Rahner's christology is his identification of Jesus as Representative both our representative before God and God's before us As such a Representative Jesus is not a redemptive agent who accomplishes human salvation simply through an act and even less is he a mere exemplar or notification This Jesus does not only do our salvation rather he is the locus of salvation itself He not only opens heaven's gates but he creates heaven with his own resurrection Being Salvation uncovers this dimension within Rahner's theology relating it to other historical examples of representative soteriology e.g. Irenaeus's theory of recapitulation and to Rahner's more familiar sacramental soteriological categories It gives special attention to Rahner's intense attention to the church fathers early in his career including Rahner's untranslated theology dissertation *E latera Christi* From the Side of Christ NLT Parallel Study Bible Tyndale, 2011-08-31 Discovery and Application on the Same Page for the First Time Now you don't have to choose between context and application Expository study notes help you understand the Bible like a 1st century believer Number one selling Life Application notes help you apply its truths in a 21st century world This Bible recognizes that Bible application is best done with a thorough knowledge of historical and literary context The NLT Study Bible is excellent at establishing this base The Life Application Study Bible content can then guide the reader in concrete steps toward application The New Living Translation is an authoritative Bible translation rendered faithfully into today's English from the ancient texts by 90 leading Bible scholars The NLT's scholarship and clarity breathe life into even the most
