The German Russians In Words And Pictures:

The German-Russians William Bosch, 2014-11-29 Many people living in the Dakotas Kansas and Nebraska share a German Russian heritage The Canadian provinces of Manitoba Saskatchewan and Alberta and the states Washington Oregon California and others also have a smattering of German Russians They are so called because their ancestors moved to Russia from German territories in the late 1700s and early 1800s and then moved to the Americas in the late 1800s and early 1900s Those original German Russians created an agricultural and industrial empire and then many of them left it all behind to begin anew somewhere in the Americas Their story is a colorful and fascinating tale filled with triumph and tragedy **AFI Catalog of Motion Pictures Produced in the United States** American Film Institute, 1999 *The Impact of War Experiences in Europe* Nina Janz, Denis Scuto, 2024-12-30 During World War II over half a million men and women under Nazi occupation who lacked German citizenship were forcibly conscripted into the German Reichsarbeitsdienst and the Wehrmacht The Nazis sought to legitimize this conscription by labeling these individuals as deutsche Volkszugehörige or Deutschstämmige despite it being a clear violation of international law This collection explores the lives of these non German conscripts focusing on individuals from Slovenia Poland Silesia Luxembourg Belgium and France Each chapter adopts an actor centered approach examining their daily lives social dynamics recruitment military deployment and experiences in German uniform under coercion The authors cover cases of desertion and escapes to neutral countries along with the repercussions for families tracing the capture of conscripts as POWs and the complex processes of redeployment by the Allies against the Germans and the re conscription by national governments Through a rich collection of ego documents and personal records this work vividly captures their complex realities offering nuanced insights into the dynamics of occupation coercion and the shifting allegiances that defined wartime and post war Europe *Through the Russian Revolution* Albert Rhys Williams, 2025-11-11 *Through the Russian Revolution* by Albert Rhys Williams a Congregationalist pastor turned labor organizer and journalist offers readers a first hand account of the exciting and confusing events of the Russian revolution from June 1917 to August 1918 Williams a lifelong defender of the Soviet system documented his first adventure in Russia at its most chaotic moments There he formed a lasting impression of what he thought the Soviet system could offer to the world and dedicated the rest of his life to this cause His account while sympathetic reveals to a modern audience the inner working of the Bolshevik Party life in Petrograd and the countryside and an optimistic vision of the revolutionary future **Nickelodeon** , 1918 **German Perceptions of Russia Before the First World War** Troy R. E. Paddock, 1994 *CD-ROMs in Print* , 2003 *Soviet Russia Pictorial* , 1922 *The Silent Picture* , 1974 *The Watchman Magazine* , 1917 *Komiks* José Alaniz, 2011-02-03 Jos Alaniz explores the problematic publication history of komiks an art form much maligned as bourgeois mass diversion before during and after the collapse of the USSR with an emphasis on the last twenty years Using archival research interviews with major artists and publishers and close readings of several works *Komiks Comic*

Art in Russia provides heretofore unavailable access to the country's rich but unknown comics heritage. The study examines the dizzying experimental comics of the late Czarist and early revolutionary era; caricature from the satirical journal *Krokodil* and the postwar series *Petia Ryzhik*; the Russian Tintin. Detailed case studies include the Perestroika era KOM studio, the first devoted to comics in the Soviet Union; post-Soviet comics in contemporary art; autobiography and the work of Nikolai Maslov and women's comics by such artists as Lena Uzhinova, Namida and Re I. Alaniz examines such issues as anti-Americanism, censorship, the rise of consumerism, globalization, e.g. in Russian manga, the impact of the internet and the hard-won establishment of a comics subculture in Russia. Comics have often borne the brunt of ideological change, thriving in summers of relative freedom, freezing in hard winters of official disdain. This volume covers the art form's origins in religious icon making and book illustration and later the immensely popular *lubok* or woodblock print. Alaniz reveals comics vilification and marginalization under the Communists, the art form's economic struggles and its eventual internet migration in the post-Soviet era. This book shows that Russian comics, as with the people who made them, never had a normal life.

Pictures and Picturegoer, 1918 The Literary Digest, Edward Jewitt Wheeler, Isaac Kaufman Funk, William Seaver Woods, Arthur Stimson Draper, Wilfred John Funk, 1897 **International Military Digest, Quarterly**, Cornélis De Witt Willcox, Edwin Roy Stuart, 1915 **The Christian Leader**, 1927 International Military Digest, Quarterly, 1915 *Our Paper*, 1916 *The Sunday at Home*, 1881 **The Spectator**, 1898 **The Kindergarten-primary Magazine**, 1910
