As guests arrive for a party at her Irish mansion Lady Playford has decided to cut off her two children without a penny and leave her vast fortune to someone else an invalid who has only weeks to live Among Lady Playford s visitors are two strangers the famous Belgian detective Hercule Poirot and Inspector Edward Catchpool of Scotland Yard Neither knows why he has been invited until Poirot begins to wonder if Lady Playford expects a murder But why does she seem so determined to provoke a killer And why when the crime is committed despite Poirot s best efforts to stop it does the identity of the victim make no sense at all Addictive ferociously clever and packed with clues wit and murder Closed Casket is a triumph from the author whose work is as tricky as anything written by Agatha Christie Alexander McCall Smith The New York Times Book
