The Golden Cat:

The Golden Cat Gabriel King, 2017-08-15 Absolutely magical Always intriguing Richard Adams author of Watership Down Behind the realm of man lie the wild roads Weaving through time and space these hidden pathways carry the natural energies the spirits the dreams of the world No creature can slip into the shadows and travel the wild roads better than the cat For millennia cats have patrolled the tangled paths maintaining balance and order guarding against corruption and chaos It is dangerous territory for those who control the wild roads hold the key to the world Amid the struggle between the purest good and the darkest evil here are tales of duty and destiny of courage and comradeship among the extraordinary creatures who brave the wild roads An ancient legend speaks of a golden cat whose coming will heal the troubled world But the Queen of Cats has three golden kittens and when two are stolen away the distraught parents turn to Tag the new guardian of magical wild roads for help As Tag and his friends embark on their search they encounter a terrifying unearthly force a preternatural vortex threatening the wild roads tearing at the very fabric of existence Tag is disastrously unprepared for the powerful darkness that threatens to consume everything in its wake
