The Goodbye Look:

The Goodbye Look Ross Macdonald, 2000-12-05 In *The Goodbye Look* Lew Archer is hired to investigate a burglary at the mission style mansion of Irene and Larry Chalmers. The prime suspect their son Nick has a talent for disappearing and the Chalmerses are a family with money and memories to burn. As Archer zeros in on Nick he discovers a troubled blonde, a stash of wartime letters, a mysterious hobo. Then a stiff turns up in a car on an empty beach. And Nick turns up with a Colt 45. In *The Goodbye Look* Ross Macdonald delves into the world of the rich and the troubled and reveals that the past has a deadly way of catching up to the present. If any writer can be said to have inherited the mantle of Dashiell Hammett and Raymond Chandler it is Ross Macdonald. Between the late 1940s and his death in 1983 he gave the American crime novel a psychological depth and moral complexity that his predecessors had only hinted at. And in the character of Lew Archer Macdonald redefined the private eye as a roving conscience who walks the treacherous frontier between criminal guilt and human sin.

It's All One Case Paul Nelson, Kevin Avery, 2016-09-13 This is a prose series of unpublished interviews with and a visual retrospective of the seminal mid to late 20th century literary crime writer. In 1976 critic Paul Nelson spent several weeks interviewing legendary detective writer Ross Macdonald who elevated the form to a new literary level. We talked about everything imaginable. Nelson wrote including Macdonald's often meager beginnings, his dual citizenship, writers, painters, music, and movies he admired. *The Great Gatsby* his favorite book, how he used symbolism to change detective writing, and more. This book, published in a handsome oversized format, collects these unpublished interviews and is a visual history of Macdonald's professional career. It is illustrated with rare and select items from one of the world's largest private archives of Macdonald ephemera. It reproduces in full color the covers of the various editions of Macdonald's more than two dozen books, collects facsimile reproductions of select pages from his manuscripts, as well as magazine spreads and presents rare photos many never before seen.
