It is a complicated and intriguing life story that evolves in a series of events which will strike the reader and catch one's attention. Nicolaus and Deirdre's love is impeded by Ceil, the matriarch. She is the boss and plans people's lives as she wishes. She brings despair into her son's existence; she is cold and manipulating. She knows what she wants and how to get it. Virago Reprints and Modern Classics D-M Withers, 2021-05-20

Reprinting, republishing, and re-covering old books in new clothes is an established publishing practice. How are books that have fallen out of taste and favour resituated by publishers and recognised by readers as relevant and timely? This Element outlines three historical textures within British culture of the late 1970s and early 1980s: History, Remembrance, and Heritage, that enabled Virago's reprint publishing to become a commercial and cultural success. With detailed archival case studies of the Virago Reprint Library Testament of Youth and the Virago Modern Classics, it elaborates how reprints were profitable for the publisher and moved Virago's books and the Virago brand name from the periphery of culture to the centre. Throughout Virago's reprint publishing, and especially with the Modern Classics, the epistemic revelation that women writers were forgotten and could therefore be rediscovered was repeated again and again and made culturally productive through the marketplace.
