Cracking the Hard-Boiled Detective Lewis D. Moore,2015-01-24 The hard boiled private detective is among the most recognizable characters in popular fiction since the 1920s a tough product of a violent world in which police forces are inadequate and people with money can choose private help when facing threatening circumstances Though a relatively recent arrival the hard boiled detective has undergone steady development and assumed diverse forms This critical study analyzes the character of the

hard boiled detective from literary antecedents through the early 21st century It follows change in the novels through three main periods the Early roughly 1927 1955 during which the character was defined by such writers as Carroll John Daly Dashiell Hammett and Raymond Chandler the Transitional evident by 1964 in the works of John D MacDonald and Michael Collins and continuing to around 1977 via Joseph Hansen Bill Pronzini and others and the Modern since the late 1970s during which such writers as Loren D Estleman Liza Cody Sara Paretsky Sue Grafton and many others have expanded the genre and the detective character Themes such as violence love and sexuality friendship space and place and work are examined throughout the text Instructors considering this book for use in a course may request an examination copy here *The High Window* Raymond Chandler, 2020-07-14 The body count in this thriller starring Chandler's quintessential Private Eye Philip Marlowe is comparatively higher compared than some of his other works One could say the bodies fall one two three four as Marlowe tracks down a missing gold doubloon Who knew one piece of metal could lead to so much trouble As always Chandler's prose is on his own level however unpleasant Marlowe's cases may become What I find fascinating in Chandler's detective novels is the extraordinary contrast in terms of character development Trophy wives and strong armed husbands all undergo serious emotional upheaval death and unforgettable changes to their lives while our companion Phillip Marlowe ever the frank gruff shamus never has any of this himself While he may have guns pointed at him framed for murder or beaten up and tossed in the slammer The Long Goodbye Marlowe always goes back to his home to play chess drink gin and smoke a cigarette **The Big Sleep & Farewell, My Lovely** Raymond Chandler, 2011-11-16 These two classic novels featuring private eye Philip Marlowe made Raymond Chandler's name synonymous with America's hard boiled school of crime fiction The Big Sleep was an instant success when first published in 1939 It centers around a paralyzed California millionaire with two psychopathic daughters he involves Marlowe in a case of blackmail that turns into murder Farewell My Lovely which Chandler regarded as his finest work came out the following year It has Marlowe dealing with the Los Angeles gambling circuit a murder he stumbles upon and three very beautiful but potentially deadly women Chandler writes like a slumming angel and invests the sun blinded streets of Los Angeles with a romantic presence said Ross Macdonald And George V Higgins wrote Chandler is fun to read He's as bleak as tundra and his dirtbag characters far outnumber his stellar citizens but Philip Marlowe is a laconic tour guide through a zoo of truly interesting animals From the Hardcover edition

The Big Sleep; Farewell, My Lovely; The High Window Raymond Chandler, 2002-10-15 Raymond Chandler's first three novels published here in one volume established his reputation as an unsurpassed master of hard boiled detective fiction The Big Sleep Chandler's first novel introduces Philip Marlowe a private detective inhabiting the seamy side of Los Angeles in the 1930s as he takes on a case involving a paralyzed California millionaire two psychotic daughters blackmail and murder In Farewell My Lovely Marlowe deals with the gambling circuit a murder he stumbles upon and three very beautiful but potentially deadly women In The High Window Marlowe searches the California underworld for a priceless gold coin and

finds himself deep in the tangled affairs of a dead coin collector In all three novels Chandler s hard edged prose colorful characters vivid vernacular and above all his enigmatic loner of a hero enduringly establish his claim not only to the heights of his chosen genre but to the pantheon of literary art Featuring the iconic character that inspired the forthcoming film Marlowe starring Liam Neeson *A Companion to the Modern American Novel, 1900 - 1950* John T. Matthews,2013-06-10 This cutting edge Companion is a comprehensive resource for the study of the modern American novel Published at a time when literary modernism is being thoroughly reassessed it reflects current investigations into the origins and character of the movement as a whole Brings together 28 original essays from leading scholars Allows readers to orient individual works and authors in their principal cultural and social contexts Contributes to efforts to recover minority voices such as those of African American novelists and popular subgenres such as detective fiction Directs students to major relevant scholarship for further inquiry Suggests the many ways that modern American and fiction carry new meanings in the twenty first century

Booze and the Private Eye Rita Elizabeth Rippetoe,2015-01-24 The hard bitten PI with a bottle of bourbon in his desk drawer it s an image as old as the genre of hard boiled detective fiction itself Alcohol has long been an important element of detective fiction but it is no mere prop Rather the treatment of alcohol within the works informs and illustrates the detective s moral code and casts light upon the society s attitudes towards drink This examination of the role of alcohol in hard boiled detective fiction begins with the genre s birth in an era strongly influenced and affected by prohibition and follows both the genre s development and its relation to our changing understanding of and attitudes towards alcohol and alcoholism It discusses the works of Dashiell Hammett Raymond Chandler Mickey Spillane Robert B Parker Lawrence Sanders Marcia Muller Karen Kijewski and Sue Grafton There are bibliographies of both the primary and critical texts and an index of authors and works
