William Thomas Lowndes,1834 *Universal Dictionary of the English Language* Robert Hunter,1899 The King's Assassin Benjamin Woolley,2018-07-17 THE INSPIRATION BEHIND THE STARZ MINISERIES MARY GEORGE STARRING JULIANNE MOORE AND NICHOLAS GALITZINE An absorbing account of the conspiracy to kill King James I by his handsome lover the Duke of Buckingham an historical crime that has remained hidden for 400 years The rise of George Villiers from minor gentry to royal power seemed to defy gravity Becoming gentleman of the royal bedchamber in 1615 the young gallant enraptured James Britain s first Stuart king royal adoration reaching such an intensity that the king declared he wanted the courtier to become his wife For a decade Villiers was at the king s side at court on state occasions and in bed right up to James s death in March 1625 Almost immediately Villiers many enemies accused him of poisoning the king A parliamentary investigation was launched and scurrilous pamphlets and ballads circulated London s streets But the charges came to nothing and were relegated to a historical footnote Now new research suggests that a deadly combination of hubris and vulnerability did indeed drive Villiers to kill the man who made him It may have been by accident the application of a quack remedy while the king was weakened by a malarial attack But there is compelling evidence that Villiers overcome by ambition and frustrated by James s passive approach to government poisoned him In *The King s Assassin* acclaimed author Benjamin Woolley examines this remarkable even tragic story Combining vivid characterization and a strong narrative with historical scholarship and forensic investigation Woolley tells the story of King James s death and of the captivating figure at its center **Unsettling Narratives** Clare Bradford,2007 Children s books seek to assist children to understand themselves and their world *Unsettling Narratives* Postcolonial Readings of Children s Literature demonstrates how settler society texts position child readers as citizens of postcolonial nations how they represent the colonial past to modern readers what they propose about race relations and how they conceptualize systems of power and government Clare Bradford focuses on texts produced since 1980 in Canada the United States Australia and New Zealand and includes picture books novels and films by Indigenous and non Indigenous publishers and producers From extensive readings the author focuses on key works to produce a thorough analysis rather than a survey *Unsettling Narratives* opens up an area of scholarship and discussion the use of postcolonial theories relatively new to the field of children s literature and demonstrates that many texts recycle the colonial discourses naturalized within mainstream cultures **The Modern Eclectic Dictionary of the English**
