Captain Wargate heartily disapproves of the sensuous madam who always wears a golden mask. She lures his officers from both his ship and their duty. But when Coral herself is offered up as the prize in a game of chance, Wargate impulsively enters and wins Seven Nights of Love. Now the puritanical navy captain has just seven nights to learn everything he can about the mysterious madam and what she knows of a man's desires. But when Coral is threatened by the new owner of Aphrodite's Grotto, will Wargate take a chance on the woman beneath the mask and on love?

The Ice Princess Emmy Morgan, 2018-11-30. As a child, Elijah Davis knows something isn't right. Following the death of his father and his own mother giving him up for adoption, Elijah grows up to understand that what isn't right is his gender, and so becomes Desir Andersen. As a black post-operative transgender woman, Desir expects to find happiness, and she does, although interspersed with great sadness. The Ice Princess follows Desir's difficult journey. First, she struggles to become her true self. Next, she must fight to find true love despite rape and abuse. Ultimately, she seeks to become a celebrity, eventually landing a role on a popular east coast soap opera. Through all the professional and personal battles, she remains honest with herself. Author Emmy Morgan was frustrated with the lack of transgender love stories in the world, so decided to write one of her own, dreaming up Desir and making her a strong, sexy heroine. Desir has been through a lot, but she seeks to find friends and lovers who can thaw her frozen heart. Finally free to be herself, she will not lock her heart away but set it free.
