The Influencing Machine Brooke Gladstone On The Media:

The Influencing Machine: Brooke Gladstone on the Media Brooke Gladstone, Josh Neufeld, 2011-05-23 Mind opening thought provoking and incredibly timely An absolutely spectacular read Cory Doctorow BoingBoing A million listeners trust NPR's Brooke Gladstone to guide them through the complexities of the modern media Bursting onto the page in vivid comics by acclaimed artist Josh Neufeld this brilliant radio personality guides us through two millennia of media history debunking the notion that The Media is an external force beyond our control and equipping us to be savvy consumers and shapers of the news Owing to the graphic format this book is readable only on larger screens and devices **How the Other Half Looks** Sara Blair, 2020-07-14 New York City's Lower East Side long viewed as the space of what Jacob Riis notoriously called the other half was also a crucible for experimentation in photography film literature and visual technologies This book takes an unprecedented look at the practices of observation that emerged from this critical site of encounter showing how they have informed literary and everyday narratives of America its citizens and its possible futures Taking readers from the mid nineteenth century to the present Sara Blair traces the career of the Lower East Side as a place where image makers writers and social reformers tested new techniques for apprehending America and their subjects looked back confronting the means used to represent them This dynamic shaped the birth of American photojournalism the writings of Stephen Crane and Abraham Cahan and the forms of early cinema During the 1930s the emptying ghetto opened contested views of the modern city animating the work of such writers and photographers as Henry Roth Walker Evans and Ben Shahn After World War II the Lower East Side became a key resource for imagining poetic revolution as in the work of Allen Ginsberg and LeRoi Jones and exploring dystopian futures from Cold War atomic strikes to the death of print culture and the threat of climate change *How the Other Half Looks* reveals how the Lower East Side has inspired new ways of looking and looking back that have shaped literary and popular expression as well as American modernity *The Ages of Superman* Joseph J. Darowski, 2012-01-27 Since Superman first appeared on the cover of Action Comics 1 in 1938 the superhero has changed with the times to remain a relevant icon of American popular culture This collection explores the evolution of the Superman character and demonstrates how his alterations mirror historical changes in American society Beginning with the original comic book and ending with the 2011 Grounded storyline these essays examine Superman's patriotic heroism during World War II his increase in power in the early years of the Cold War his death and resurrection at the end of the Cold War and his recent dramatic reimagining By looking at the many changes the Man of Steel has undergone to remain pertinent this volume reveals as much about America as it does about the champion of Truth Justice and the American Way **What the Fact?** Seema Yasmin, 2023-10-10 Tracing the spread of misinformation and disinformation through our fast moving media landscape a journalist scientist medical professional and professor gives readers the skills to identify and counter poorly sourced clickbait and misleading headlines *Urban Comics* Dominic Davies, 2019-02-21 Urban

Comics Infrastructure and the Global City in Contemporary Graphic Narratives makes an important and timely contribution both to comics studies and urban studies offering a decolonisation and reconfiguration of both of these already interdisciplinary fields With chapter length discussions of comics from cities such as Cairo Cape Town New Orleans Delhi and Beirut this book shows how artistic collectives and urban social movements working across the global South are producing some of the most exciting and formally innovative graphic narratives of the contemporary moment Throughout the author reads an expansive range of graphic narratives through the vocabulary of urban studies to argue that these formal innovations should be thought of as a kind of infrastructure This infrastructural form allows urban comics to reveal that the built environments of our cities are not static banal or depoliticised but rather highly charged material spaces that allow some forms of social life to exist while also prohibiting others Built from a formal infrastructure of grids gutters and panels and capable of volumetric multi scalar perspectives this book shows how urban comics are able to represent repair and even rebuild contemporary global cities toward more socially just and sustainable ends Operating at the intersection of comics studies and urban studies and offering large global surveys alongside close textual and visual analyses this book explores and opens up the fascinating relationship between comics and graphic narratives on the one hand and cities and urban spaces on the other

Super Pop! Daniel Harmon, 2013-06-04 This wide ranging collection organizes pop culture s greatest hits including movies books comic books songs and podcasts into hilarious provocative and weirdly edifying top ten lists

The Trouble with Reality Brooke Gladstone, 2017-05-16 The award winning host of WNYC s On the Media explores disinformation in the age of Trump with a look toward what we can do about it From her front row view of today s events journalist Brooke Gladstone shares her insights on what she calls our ever growing trouble with reality As Gladstone shows us reality was never what we thought it was There is always a bubble people are always subjective and we are all prey to stereotypes That makes reality actually more vulnerable than we ever thought But then came Donald J Trump and his team of advisors For them as she Gladstone says lying is the point The more blatant the lie the easier it is to hijack reality and assert power over the truth Drawing on writers as diverse as Hannah Arendt Walter Lippmann Philip K Dick and Jonathan Swift Gladstone dissects this authoritarian strategy and shows how the Trump team mastered it down to the five types of tweets that Trump uses to distort our notions of what s real and what s not Thankfully Gladstone also offers hope There is a time tested treatment for moral panic And if history is a guide there is also the inevitable reckoning Brief and bracing *The Trouble with Reality* shows exactly why so many of us didn t see it coming and how we can recover both our belief in reality and our sanity
