Theology and Human Flourishing Mike Higton, Christopher Rowland, Jeremy Law, 2011-11-04 This collection of essays is a celebration of the work of Timothy Gorringer Like his theology it is animated by a delighted and critical engagement with the diverse facets of human social life and by a passionate concern to wrestle with the Bible and the Christian tradition in pursuit of human flourishing The built environment politics education art these essays by leading Christian theologians ask what it means for Christian theology to concern itself with to immerse itself in and to risk critical commentary on each of these and more The collection follows the same rhythm that animates Gorringer's work insistent

attention to the Christian tradition in the light of the particular contexts where human flourishing is imagined fought for embodied and betrayed and a critical constructive and celebratory examination of those contexts in the light of the Christian tradition The contributions are very diverse touching on everything from city life to human curiosity poverty to genocide but they are united by a passion to make theological sense of human flourishing **Moral Passion and Christian Ethics** Robin Gill,2017-03-06 In this book Robin Gill argues that moral passion and rational ethical deliberation are not enemies and that moral passion often lurks behind many apparently rational ethical commitments He also contends that though moral passion is a key component of truly selfless moral action without rational ethical deliberation it can also be extremely dangerous Gill maintains that a reanalysis of moral passion is overdue He inspects the gap between the purely rational accounts of ethics provided by some moral philosophers and the normative positions that they espouse and or the moral actions that they pursue He also contends that Christian ethicists have not been adept at identifying their own implicit moral passion or at explaining why it is that doctrinal positions generate passionately held moral conclusions Using a range of disciplines including cognitive science and moral psychology alongside the more usual disciplines of moral philosophy and religious ethics Gill also makes links with moral passion in other world faith traditions Good Pub Guide Alisdair Aird,1998-10-31 The Good Pub Guide is the only truly independent guide to the best of British pubs and bars With yearly updates and reader reports the Good Pub Guide guarantees to bring you the cream of the nation s watering holes So whether you want a quiet pint or a chat over a bottle of your favourite wine you re sure to find the perfect venue among the 5 000 listings The detailed information gives you an accurate insight into facilities atmosphere and quality ensuring you enjoy your tipples For a unique honest and vastly entertaining guide to charming rural pubs atmospheric city pubs delicious dining pubs and eccentric local pubs look no further than The Good Pub Guide 2005 **Subject Index to Periodicals** ,2008 **The Spectator** ,1874
