Hot Protector Lynn Raye Harris, 2016-01-11 Sometimes the forbidden is impossible to resist Special Ops soldier Chase Fiddler Daniels is just back from a dangerous mission overseas He needs sleep and sex and not necessarily in that order When Sophie Nash arrives on his doorstep he doesn't recognize the stepsister he hasn't seen in ten years And when

she spins a tale involving a Russian billionaire and secret files he doesn't believe her. Until someone firebombs his apartment with them inside. Now they're on the run and grown up. Sophie is more compelling than he ever thought possible. But she's off limits and Chase won't cross that boundary or will he? Sophie Nash only wants life to return to normal. Get the files she mailed to Paris and find out what's in them. Stop Grigori Androv from hurting anyone else. Live and let live. Except the stakes are high in this game of cat and mouse and there's no assurance she's going to come out on top. Maybe that's why she can't quite resist Chase's alpha magnetism. Or why she finds herself falling for her very hot, very lethal, very forbidden protector.

Lynn's Hostile Operations Team is one of those series that just addictingly good. It doesn't matter how many books she'll write for it because I know I'll read every single one. Every Single One. They're that good. It's the perfect combination of sizzling romance with heartpounding suspense. It's action packed and sexy. It's everything I love about romantic suspense and I can't recommend this series enough.

Reviews: one of those must-read black ops series that is as good as Maya Banks. Cindy Gerard. Just Plain Sassy. Seriously, is there a hotter series out there in this genre? Because if there is, I don't know about it. I have loved these books from book 1 and they are only getting better and better. Not to mention hotter.
