Heaton, 1993 *The Impossible Dream* Jasper Fullard, MD, 2022-09-07 Racism and healthcare disparities have always been a problem in the Black community especially small country towns This book illustrates how a poor Black boy at the age of twelve watched his mother almost die from the lack of adequate health care from a White doctor I come from a very poor family of eleven children poor education environment low self esteem and with no Black professionals except for Black teachers to inspire me and other Blacks in the community but at the age of twelve I promised my mother that one day I would become a doctor so that Blacks would not have to suffer from the lack of adequate health care The promise to my mother was an impossible dream By reading this book you will learn how the miracles of God navigated my crooked journey and how the impossible was made possible and I was able to obtain a bachelor of science master of science two years on a PhD program before completing a medical degree Along with other health care providers I was able to organize a not for profit organization to decrease healthcare disparities in the Black community

The Impossible Dream Louise Hoffman, 1973 [The Impossible Dream](#) Andrew J Avant, 2013-04-17 God has placed a dream inside of each of us Paul is saying in 1 Corinthians 2 9 that we cannot even imagine or comprehend naturally speaking the things God has prepared for us He has a marvelous destiny planned just each one of us It is so unique that He says no eye has seen it nor ear heard it The dream God reveals to our hearts will be different for everyone depending on individual gifts talents and abilities Dreams are the wellspring of passion They capture the imagination and engage the spirit They are capable of lifting us to new heights and helping us break through our self imposed limitations God given dreams are the seeds of greatness When there is no clear cut direction or goal for which to live human beings feel purposeless Theres not a person on this planet who was born without an ability to do something well Its up to each one of us to find out what that ability is tap into it and then pursue it with everything that is in us We are called to be conformed to the image of Jesus Christ One of the keys to being conformed to His image is finding Gods plan for your life and doing it regardless of the cost Our Lord and Savior Jesus Christ has given us all goals and assignments But even with the combination of right goals sincerity and zeal we do not always accomplish goals In our endeavors too often we either have no sense of strategy or we use the wrong strategy The strategy in the life of Jesus Christ is a strong emphasis on the cost of discipleship Jesus seemed to spend more time warning men of trials and difficulties than he did urging them to follow him The cost of discipleship means there is a price that one must pay to go further in God Christianity is a challenge What is it that you have always dreamed of doing what is that you have always desired to accomplish in the Lord The things we seek after in God are not out of reach but they dont just come to us even though God is

no respecter of persons and He is ready to do the extraordinary the remarkable and the rare in every believers life Though it may surprise you the richest deposits on our planet lie just a few blocks from your house They rest in your local cemetery or graveyard Buried beneath the soil within the walls of those sacred grounds are dreams that never came to pass songs that were never sung books that were never written paintings that never filled a canvas ideas that never were shared visions that never became a reality inventions that never went beyond the drawing board the mind and purposes that were never fulfilled Our graveyards are filled with potential that remained potential I will endeavor in this book meet the challenge set forth by The Word of God Study Guide for For All Practical Purposes COMAP,2008-12-30 Offers study tips and tools to help students gain a better understanding of course material The Eighth Edition includes study flashcards for further practice
