

DISCLOSURE STATEMENT

WELLS FARGO BANK, N.A.

CERTIFICATES OF DEPOSIT LINKED TO A BASKET OF FOREIGN CURRENCIES

The certificates of deposit of Wells Fargo Bank, N.A. (the "Bank") described below ("CDs") are made available through UBS Financial Services Inc. and certain other broker-dealers (collectively, the "Brokers" and individually a "Broker"). Each CD is a deposit obligation of the Bank, the deposits and accounts of which are insured by the Federal Deposit Insurance Corporation (the "FDIC"). See "Deposit Insurance." Purchasing the CDs involves risks. See "Risk Factors" on page 3.

The full amount of the deposit principal of a CD (the "Deposit Amount") will be returned to you on the Stated Maturity Date. Each CD will pay interest on the Stated Maturity Date in an amount based upon the percentage change in the level of a basket of foreign currencies (the "Basket") measured over a specified period of time and subject to certain terms and conditions (the "Basket Interest"). The specific foreign currencies included in the Basket track, a "Basket Currency" and collectively, the "Basket Currencies") and initial weighting of each Basket Currency in the Basket will be set forth in a supplement to this Disclosure Statement (a "Terms Supplement"). A CD may pay a minimum interest amount equal to a specified percentage of the Deposit Amount over the term of the CD (the "Minimum Interest Amount"). The CDs are not automatically renewable and no interest will be earned after the Stated Maturity Date. The specific terms of the CDs, including any Minimum Interest Amount, will be set forth in the applicable Terms Supplement. The FDIC has taken the position that any Basket Interest that has not yet been ascertained and become due and any secondary market premium paid by you above the Deposit Amount of the CD is not insured by the FDIC.

Unless otherwise specified in the applicable Terms Supplement, early withdrawal of a CD will only be available in the event of death of a beneficial owner of the CD.

Most United States holders of the CDs, other than those holding the CDs through a tax advantaged retirement account (such as an IRA), are subject to tax rules requiring them to include in their taxable income during each tax year in which the CDs are outstanding imputed interest income on the CDs even though interest, if any, will not be paid on the CDs until maturity. See "United States Federal Income Tax Consequences" on page 13.

The CDs are being offered by the Brokers when, as and if issued by the Bank and received and accepted by the Brokers, subject to the right of the Brokers to reject orders in whole or in part and subject to certain other conditions. The Brokers offering the CDs may include affiliates of the Bank.

In making an investment decision investors must rely on their own examination of the Bank and the terms of the offering, including the merits and risks involved. The CDs are obligations solely of the Bank, and are not obligations of and are not guaranteed by Wells Fargo & Company or any other affiliate of the Bank. The CDs are not registered under the Securities Act of 1933, as amended, and are not required to be so registered. The CDs have not been recommended by any federal or state securities commission or regulatory authority. Furthermore, the foregoing authorities have not confirmed the accuracy or determined the adequacy of this Disclosure Statement. Any representation to the contrary is a criminal offense.

Although a Broker or its affiliates may purchase the CDs from you, none of the Brokers is obligated to do so. The Brokers and their affiliates are not obligated to, and do not intend to, make a market for the CDs. There is no assurance that a secondary market for the CDs will develop or, if it develops, that it will continue. Consequently, you may not be able to sell your CDs readily or at prices that will enable you to realize your desired yield. Only CDs held to the Stated Maturity Date or CDs that are the subject of a permitted early withdrawal will be entitled to the return of the full Deposit Amount.
