Shamanic Herbal Matthew Wood,2024-07-02 Explores the alphabet of Nature personified in animals and the spiritual lessons of animal medicines animals personified in plants including Turtle Bear Deer Wolf Alligator and Horse Medicine teachings Shares profound experiences from the author s long career as an herbalist and his first years growing up on a remote Seminole reservation in the Everglades Offers shamanic adventures interwoven with comparisons to the psychology of Freud and Jung the visions of Castaneda and the occult teachings of Steiner and Gurdjieff Sharing profound experiences from his long career as well as his first years growing up on a remote Seminole reservation in the Everglades renowned herbalist Matthew Wood interweaves practical herbalism and the spiritual potency of Nature to deeply explore the plant teachers animal medicines and foundational principles of shamanism as a spiritual path Wood describes a universal language of the shamans based on direct sometimes supernatural experiences as well as case studies from his practice He examines

the alphabet of Nature and spiritual lessons personified in animals and plants especially animal medicines when the plant looks like an animal He shares accounts of Turtle Medicine plants for self examination Bear Medicine plants to open the imagination and Wolf Medicine plants for wholeness and magic He explores the plants of Alligator Medicine for healthful prosperity Horse Medicine plants to bring the conscious self in harmony with the animal self Badger Medicine plants to strengthen gut instincts and many other herb and animal teachers He also looks at plants associated with journeying to the spirit world through the medicine of Crane Dragon and Bat Revealing the shamanic roots of his herbal teachings Matthew Wood provides not only an inside view of his lifelong spiritual path but also an immersive and experiential guide to the shamanic wisdom of countless plant and animal teachers **Hunting Zombies** Joseph A. McCullough, 2016-12-15

Beginning with an explanation of the historical origins of zombies this book follows their history straight through to the threat they pose to the world today All varieties of zombie are cataloged and examined giving their strengths and weakness with a special emphasis on recognition and elimination Finally the book covers the tactics and equipment used in zombie fighting *Vampires, Werewolves, and Demons* Richard Noll, 1992 Make no mistake this is a serious scholarly altogether

professional book but it also has all the elements of a Stephen King novel Filled with real life tales of mystery misery and psychological mayhem it challenges us to realize the unfathomable and to reexamine traditional definitions of fact and fantasy And Richard Noll proves a sure footed guide as he crosses the boundary of standard psychiatric nomenclature into the world of identity transformation and blood obsession Meticulously researched and edited the book brings together an international selection of contributions historical and current to reveal the depth and breadth of psychopathology as it manifests in vampirism lycanthropy and demonical possession Mr Noll s own explorations of the subjects weave together clinical anthropological and literary perspectives to create a rich and multitextured portrait of these psychiatric disturbances As the labyrinthian nature of the human psyche unfolds within these pages we are reminded again and again of the power of the beast that lurks beneath the surface of day to day existence This is not a book for the faint of heart But for those whose thirst for knowledge compels them to question the unquestionable it is a unique and provocative exploration of disorders that lie beyond the reach of current genetic biochemical and neurophysiological understanding BOOK JACKET Title Summary
