SCM Studyguide: Theology in the Contemporary World Ben Pugh, 2017-11-30 No sooner have they mastered the basics than students of theology can quickly find themselves in over their heads They are bombarded with claim and counter claim as soon as they want to tackle anything topical The contentious subjects tend to be the historical Jesus gender and sexuality or the atonement Other subjects might be less contentious but attract an astonishing excess of literature Take the vast literature tackling the subject of the Church for instance or the bloated body of tomes on various aspects of Pneumatology This book tries to provide the bewildered and intimidated student with a primer that is at once introductory and incisive approachable and informative It will help those training for ministry to recover their fascination for the subject of theology and how it could apply to their future ministry Subjects covered include The Quests for the Historical Jesus Third Article Theology The Missional Church Liberation Theology Feminist LGBT and Queer Approaches Postmodern Faith and the Emerging Church Nonviolent Atonement

SCM Studyguide to Religious and Spiritual Experience Jeff Astley, 2020-03-31

Spiritual religious sacred or mystical experiences may be broadly defined as subjective human experiences that appear to the person undergoing them or to others to convey or imply contact with or knowledge about a transcendent power presence or superior reality beyond the realm of the physical Research has shown that these forms of awareness of something beyond are of considerable significance in the ordinary lives of very many people as well as being elements of signal importance in the origin and development of religion not least by deepening characteristically spiritual or religious attitudes emotions beliefs values and practices along with fundamental orientations of life and quests for meaning This Studyguide provides a succinct and lucid introduction to the subject for those studying religion at both undergraduate and GCE AS A level By exploring the key areas of both the empirical and theoretical study of religious and spiritual experience the Studyguide will serve as an accessible and nonpartisan guide to enable its readers to explore the range of challenging data debates approaches and

issues that relate to the study of this widespread and significant phenomenon Research in Education ,1974 *Tintinalli's Emergency Medicine: A Comprehensive Study Guide, 8th edition* Judith E. Tintinalli,J. Stephan Stapczynski,O. John Ma,David M. Cline,Garth D. Meckler,2016-03-22 The most widely used and highly regarded textbook and reference of emergency medicine Endorsed by the American College of Emergency Physicians The 8th edition of Tintinalli s Emergency Medicine provides the depth and breadth of coverage that reflects the complexity and expertise needed to practice emergency medicine successfully in today s fast paced environments It is an important contemporary clinical emergency care resource for physicians NPs and PAs who practice emergency medicine and for emergency medicine and pediatric emergency medicine fellows It remains the preferred study guide for in training and board examinations and recertification NEW to this edition Full color design with more tables than ever to succinctly present key information Extensive updates to all sections incorporating the latest guidelines evidence based protocols and relevant research Expanded pediatric section with complete clinical information for general and pediatric emergency physicians Expanded coverage of common emergency department procedures with improved illustrations Online access to more than 30 videos covering a wide range of procedural and diagnostic topics and focusing on the latest ultrasound guided techniques From the reviews of the seventh edition Collectively they have once again produced an excellent text that manages to cover the broad scope of emergency medicine while remaining an easily readable and practical resource Last for the inevitable comparison of this current edition of Tintinalli s Emergency Medicine with other available emergency medicine textbooks available in my opinion Tintinalli s still comes out on top It is more concise and easier to read than some yet it covers the breadth of emergency medicine practice more comprehensively than others Just as previous editions did the seventh presents all of the most pertinent and up to date information in a well organized format that is comprehensive yet easy to read That and many of the attractive new features in this current edition will ensure its place on my bookshelf for years to come JAMA
