The Gladiator S Touch:

The Man Who Touched His Own Heart Rob Dunn,2015-02-03 The secret history of our most vital organ the human heart The Man Who Touched His Own Heart tells the raucous gory mesmerizing story of the heart from the first explorers who dug up cadavers and plumbed their hearts chambers through the first heart surgeries which had to be completed in three minutes before death arrived to heart transplants and the latest medical efforts to prolong our hearts lives almost defying nature in the process Thought of as the seat of our soul then as a mysteriously animated object the heart is still more a mystery than it is understood Why do most animals only get one billion beats And how did modern humans get to over two billion effectively letting us live out two lives Why are sufferers of gingivitis more likely to have heart attacks Why do we often undergo expensive procedures when cheaper ones are just as effective What do Da Vinci Mary Shelley and contemporary Egyptian archaeologists have in common And what does it really feel like to touch your own heart or to have someone else s beating inside your chest Rob Dunn s fascinating history of our hearts brings us deep inside the science history and stories of the four chambers we depend on most *Cards and Gladiators* Allen Freeman,Roxanne Owen,2014-06-26 This is the full version of that includes the ending chapters The first time I touched a card it was as cold as ice In a dark and quiet night we met the first guardian an unexpected one too Childhood rhymes a serial murder case another insane guardian that we couldn t avoid Then the voices screamed in the ruined city Don t be confused It s an unfolding story It all started with a teenager s hope Join the authors and fans at facebook <https://www.facebook.com/cardsandgladiators>

The gladiators George John Whyte-Melville,1901 **A Gladiator'S Journey** Brian Coates,2017-12-13 It has been said that you should surround yourself with those on the same mission as you The cover of A Gladiators Journey seems to suggest this mission is one of inevitable conflict and carnage However the dichotomy of A Gladiators Journey is that the true mission is that of survival and hope Although not necessarily alcoholic themselves there are an estimated 76 million people in the United States affected by alcoholism and other family dysfunction Those affected will be on a lifelong journey of destruction self and otherwise until they finally realize there is help This journey is for you if you have ever Raged at someone and didnt know why Sought solace in sex partners yet still felt empty inside Felt justified in yelling at someone but later felt remorse Known you were wrong but couldnt bring yourself to apologize Displayed any other behavior that made you think why did I do that The journey on which you are about to embark is one of pain confusion and recovery healing This story told in a series of poems will induce tears of sadness provoke anger instill fear but will ultimately bring you strength hope and joy
