The Hidden Star:

The Hidden Star K. Sello Duiker, 2011-11-27 Eleven year old Nolitye's granny used to say if you mess with a woman you mess with a stone. When Nolitye finds a magical stone on the dusty streets of Phola, her granny's words take on a new meaning. Along with her two friends, the somewhat pampered Bheki and Four Eyes, a reformed member of the Spoilers gang led by Rotten Nellie, Nolitye puts the powers of the stone to good use for the first time. The threesome can stand up to the Spoilers. Nolitye can save the life of Rex, the leader of a pack of talking township mutts, and dare to look scary MaMtonga with her living brown and green snake necklace in the eye. But soon Nolitye finds out that the purplish blue magic stone is but five stones needed to put right things that started to go wrong the day her father died in a mining accident when she was five years old. Or so she was told by her mother. By merging a cast of characters straight out of African myth folklore with everyday township life, K. Sello Duiker created a magical world and a truly wondrous quest, a timeless tale that will appeal to an ageless audience.

Eternally Blood Emperor Bu Zui, 2020-01-08 Sometimes only by being hurt to the point of heartache can he have the courage and determination to return. Sometimes extraordinary power brings people not glory and respect but fear and jealousy of others. Ye Ya's outstanding powerful ability caused the jealousy of his leader. He was secretly killed by him. With great shock and grief, he vowed secretly that if he could relive his life, he would never let those with ulterior motives hurt him. He died but was born again. Unfortunately in this life, he only had low level martial arts and could only obey the orders and arrangements of others. He was assigned to be a low ranking patriarch, what he could do was accepting. But with the memory of the previous life, how can he be willing to be an ordinary person? He wants to resist in trouble and cultivate the martial arts so that to be the strongest. Those who have bullied him and framed him will pay a painful price.

About the Author: Bu Zui, an excellent online novelist, has rich imagination and creativity. His novels have rich twists and turns, fascinating smooth writing, and humorous language.

The Hidden Life in Freemasonry

Charles Webster Leadbeater,1926 The Masonic fellowship differs from all other societies in that candidates for membership have to join it blindfold and cannot receive much information about it until they actually enter its ranks Even then the majority of Masons usually obtain only the most general idea of the meaning of its ceremonies and seldom penetrate further than an elementary moral interpretation of its principal symbols In this book it is the object while preserving due secrecy upon those matters which must be kept secret to explain something of the deeper meaning and purpose of Freemasonry in the hope of arousing among the Brn a more profound reverence for that of which they are the custodians and a fuller understanding of the mysteries of the Craft Although the book is primarily intended for the instruction of members of the Co Masonic Order whose desire as is expressed in their ritual is to pour the waters of esoteric knowledge into the Masonic vessels the author hopes nevertheless that it may appeal to a wider circle and may perhaps be of use to some of those many Brn in the masculine Craft who are seeking for a deeper interpretation of Masonic symbolism than is given in the majority of their Lodges showing them that in the ritual which they know and love so well are enshrined splendid ideals and deep spiritual teachings which are of the most absorbing interest to the student of the inner side of life **The Hidden Way**
