The Holy Trinity Revealed In The Scriptures:

The Holy Trinity Revealed in the Scriptures Gregory Jackson, Norma Boeckler, 2014-11-03 These passages were gathered by an assistant always there when I need him most to show that the Holy Spirit does reveal the Triune God throughout the Bible from Genesis 1 onward The parameters chosen were the naming of all Three Persons within two verses In many cases the Father Son relationship is revealed by the Spirit in the text of the Word but the work is more powerful when all three Persons are named or described

My God Is a Trinity Jerry Kofi Tutu, 2015-08-23 Lack of understanding of the concept of the Holy Trinity has plagued the church of Jesus Christ for more than two thousand years But this doctrine is not difficult to understand when we restrict ourselves solely to the sayings of our Lord Jesus Christ the author and finisher of our faith Although the bible does not mention the word Trinity in all the books however there is a word mentioned in the bible that confirms the doctrine of the Holy Trinity This word reveals the plurality in unity of the divine nature of God The word Godhead appeared 3 times in the New Testament and an in depth study of this word unveils the concept of the Holy Trinity It was translated from the Greek word THEIOS which is translated in Thayer s Greek English Lexicon of the New Testament as the Holy Trinity comprising the Father Jesus Christ and the Holy Spirit So the bible do indeed mention the Holy Trinity but by a different name As a former Muslim the subject of the Holy Trinity became a major stumbling block in my early Christian walk and therefore I devoted almost two decades of my life seeking for answers to this elusive Christian doctrine Progressively the Lord gradually revealed this concept to me in a very easy to understand manner So in this book you will find answers to some of the questions that most of us ask in our quest to understand the Holy Trinity For example is Jesus Christ the same as God Or is Jesus Christ the only Begotten Son of God What did Jesus imply when He said I and the Father are one Was He denying the Holy Spirit as part of the trinity since He didn t say I the Father and the Holy Spirit are one but instead He left out the Holy Spirit and said I and the Father are one These and many other probing questions would be answered based on the sayings of our Lord Jesus Christ Moreover did Christendom borrow the doctrine of the trinity from pagan religions in antiquity at the Council of Catholic Bishops at Nicaea in the fourth century AD Or did the council of Nicaea echo a truth recorded in the bible from the beginning of time The Holy Scriptures clearly unveils God to the reader without any ambiguity but human interpretations had confused this doctrine thus making it difficult to understand The bible does not address the Holy Trinity as God the Father God the Son and God the Holy Spirit Instead the bible addresses the Holy Trinity as God the Father the Son of God and the Holy Spirit of God So what is the difference between these two descriptions Through the pages of this book you will find answers to these and many other probing questions Jesus Christ in the Gospels answered all these questions

The Trinity & the Bible Scott R. Swain, 2021-09-29 Seeing the Trinity in Scripture Orthodox Christians affirm and worship a triune God But how should this affect our reading of the Bible In The Trinity and the Bible Scott R Swain asserts that not only does the Bible reveal the Trinity but the Trinity illuminates our reading of the

Bible Swain reflects on method and applies a Trinitarian framework to three exegetical studies Explorations of three genres of New Testament literature Gospel epistle and apocalyptic display the profits of theological interpretation Through loving attention to the Scriptures one can understand and marvel at the singular identity and activity of the triune God The Holy Trinity in Unity, as Inquired Into, First Through the Works of God, and Secondly as Revealed by the Holy Scriptures ,1845

The Trinity Unveiled Cass Bernard,2021-08-03 Most Churches teach that God Jesus and the Holy Spirit are equal beings and somehow the same God They themselves admit It is a mystery beyond our comprehension Still however they want us as followers to accept this belief with faith despite the fact they cannot explain it Because of this and the lack of support from the scriptures do we not have every right to question it Do the scriptures show there is a three in one God Jesus said at John 6 38 NIV bolding added for emphasis For I have come down from heaven not to do my will but to do the will of him who sent me This scripture describes two wills If there are two wills then there must be two beings If one sends the other then one is evidently in charge which means they cannot be the same or equal Many other scriptures concur such as 1 Corinthians 11 3 NIV that reads the head of Christ is God The book highlights the scriptures used for support of this doctrine and includes the contexts that surround those same verses to show that the Bible does not teach a triune type of God anywhere This book offers over one hundred scriptures that combine to prove the falseness of the teaching of the Trinity Besides more than enough scriptural evidence the book also brings into focus how other Bible versions render those same Trinity scriptures and dives into the history of this doctrine When these things are all exposed the Trinity fails to deliver as truth The Enigma of the Holy Trinity Tommy C. Seay Sr.,2016-03-18 The Enigma of the Holy Trinity Unveiling Gods Presence in the Bible is a book that will stir up the pure minds of every believer in Christ Jesus In this methodically written work the students of the Word are carefully and systematically guided step by step through the Bible It clearly shows from the youngest to the most mature Christians how to identify the manifold manifestations and acts of the Holy Trinity throughout the scriptures The Sacramento Book Review says Seays book is thorough And for certain Christians who are ready for intense Bible study in this tradition this book may offer new insights into familiar stories The Trinity Revealed in Scripture Michael D. Barron,2022-10-12 Have you ever heard someone say that Christians believe in three gods If you are a new Christian or just curious about why Christians believe in the triune nature of God then this book is a must read The Bible doesn't blatantly say in one sentence that God is a trinity three in one so it takes a little research In this book you will find a litany of verses from the Old and New Testament that point to the God of the Bible as having three distinct personages Father Son and Holy Spirit You will see that God reveals Himself through each of these personages as Creator Savior Redeemer and so much more By the time you are finished reading you will have a clear understanding of HIS triune nature and where to find evidence of it in the Bible **Our Triune God** Peter Toon,2002 Who is the God of the Bible From both within the church and outside her walls the orthodox doctrine of the Holy Trinity declared in Scripture and passed down in ecumenical creeds and local

confessions of faith is under attack The emerging absence of a Trinitarian mind set so prevalent in the church today has enormous implications for the future of the Christian faith Concerned to counter contemporary attacks on the doctrine of God Peter Toon here demonstrates the existence and priority of a Trinitarian pattern in Scripture and defends the essential role of the Trinity in Christian belief faith and practice

Alexandria's Trinitarian Theology of Scripture Matthew R. Crawford, 2014-08-28 More exegetical literature survives from the hand of Cyril of Alexandria than nearly any other Greek patristic author yet this sizable body of work has scarcely received the degree of attention it deserves In this work Matthew R Crawford reconstructs the intellectual context that gave rise to this literary output and highlights Cyril's Trinitarian theology received as an inheritance from the fourth century as the most important defining factor Cyril's appropriation of pro Nicene Trinitarianism is evident in both of his theology of revelation and his theology of exegesis the two foci that comprise his doctrine of Scripture Revelation in his understanding proceeds from the Father through the Son and in the Spirit following the order of Trinitarian relations Moreover this pattern applies to the inspiration of Scripture as well insofar as inspiration occurs when the Son indwells human authors by the Spirit and speaks the words of the Father Although Cyril's interpretation of revelation may consequently be called Trinitarian it is also resolutely Christological since the divine and incarnate Son functions as the central content and mediator of all divine unveiling Corresponding to this divine movement towards humanity in revelation is humanity's appropriation of divine life according to the reverse pattern in the Spirit through the Son unto the Father Applied to exegesis this Trinitarian pattern implies that the Spirit directs the reader of Scripture to a Christological interpretation of the text through which the believer beholds the incarnate Son the exemplar of virtue and the perfect image of the Father and accordingly advances in both virtue and knowledge This process continues until the final eschatological vision when the types and riddles of Scripture will be done away with in light of the overwhelming clarity of the Christologically mediated Trinitarian vision [A Commentary on the Holy Scriptures](#) Johann Peter Lange, 1871 **A.W.
