Jennifer Chaise is proud of her life. Coming from nothing, she's used her beauty to her advantage and is swept up in a glamorous world of wealth and privilege as the mistress of a high-flying businessman. But when she walks in on a violent scene in their Las Vegas hotel room, Jennifer knows she can no longer ignore the truth about her boyfriend and she flees. Desperate to escape the men searching for her, she invents a whole new persona with a new look and a new name as she hides out in a small Nevada town. Working as a waitress in the local diner, she finds a mentor in Louise, a retired professor who takes her in. As Jennifer begins to embrace a new life, she realizes how much was missing from her old one: a sense of community and purpose. But it's not easy to simply disappear. Her neighbor Alex is a cop, and while he's friendly enough, he may also suspect that Jennifer is not what she seems. Although she is under constant threat of being discovered, Jennifer is surprised to realize that for the first time, she's genuinely happy. Suddenly, this real world is all she wants. But will it be enough when her past catches up with her? Classic women's fiction illuminating the power of women's friendships is still alive and well. Booklist on *Four Friends*. With the support of her sisters Maggie and Sarah, she's ready to move on. Facing her fortieth birthday, Clare is finally feeling the rush of unadulterated freedom. But when a near-fatal car accident lands Clare in the hospital, her life takes another detour. While recovering, Clare realizes she has the power to choose her life's path. The wonderful younger police officer who witnessed her crash is over the moon for her. A man from her past stirs up long-buried feelings. Even her ex is pining for her. With enthusiasm and a little envy, her sisters watch her bloom. Together, the sisters encourage each other to seek what they need to be happy. Along the way, they all learn that it's never too late to begin again. A thought-provoking look at women and the choices they make when they realize their lives aren't exactly what they expected or thought they were. Kirkus Reviews
