**Homeless Hero** Mike Tapscott, 2013-07 Homeless Hero Understanding the Soul of Home considers the human mission to know the soul and navigate life experiences When pain and emptiness show up in life only those who undertake the hero's journey grow into a place of understanding where they can then flourish Mike Tapscott was watching a movie at a resource center for homeless people when he developed the idea for this book The movie workshop at Lodestar Day Resource Center in Phoenix Arizona teaches life's lessons through the magic of cinema The lessons manifest through a series of dramatic events hearing a call to adventure refusing the call crossing a threshold encountering tests allies and enemies being unable to turn back soul searching finding reward returning with the story and experiencing resurrection These events are what life is all about The hero's journey through homelessness just one symptom of the challenge of overcoming emotional pain is one way to help change individuals and then change tracks patterns and less than constructive behaviors Here is a compilation of experiences from Tapscott's 36 hour experimental journey into life on the streets his own volunteer work and through interviews with employees in the social service system other volunteers and homeless individuals Homeless Hero is a case study an experiment an adventure and a multi layered examination of American society that seeks to help you understand the moving picture of your own hero's journey
