more to Curtis story than that Born and bred a nerd he spent his early years between Detroit a city so nerdy that the word was coined there in 1951 and improbably Geneva Switzerland His adolescence and early adulthood was spent primarily between the covers of a book and indulging his nerdy obsessions It was only when he found his true calling as an actor and unintentional nerd icon that he found true happiness With whip smart self effacing humor Armstrong takes us on a most unlikely journey one nerd s hilarious often touching rise to the middle He started his life as an outcast and matured into well an older slightly paunchier hopefully wiser outcast In Hollywood as in life that counts as winning the game
